Fluid Milk Prices Varied Supply in Surplus

Reports indicate that fluid milk production continued to increase at all points though the rate of increase was irregular. Surplus in excess of needs as Boston reported a good demand with a lighter buying interest noted at New York and Philadelphia.

TREND—Last minute buying generally clearing more offerings with market generally steady at the close of Easter buying.

Copyrighted 1958 By Uner-Barry Co.

Penn State safety special-dollar bills circulating at all times urge use of a red light tines in the United States. A or reflective material on the dollar bill wears out faster rear of tractor, trailer, or than a pair of shoes other equipment on the road usually in about six to nine months.

No faster way to feed your crops nitrogen

You can spray or dribble URAN® on many acres per day to feed your crops all the nitrogen they need for big yields and profits. All you need for applying non-pressure ARCADIAN® URAN Nitrogen Fertilizer Solutions is a tractor-tank spray rig and a nurse tank to carry URAN to your field. Or you can have your ARCADIAN dealer do the entire job, quickly and easily at low cost.

Use URAN to build big yields of grain, grass, corn and other crops. You can top-dress small grains and grass. You can apply URAN before plow-down of sod, stalks and straw to build nitrogen-rich organic matter. You can use URAN as side-dressing too, or apply it in irrigation water. Get quick-acting, long-lasting ARCADIAN URAN now! It's a crop-builder and a labor-saver any way you use it!
