Livestock For Sale

For Sale: Sheep and lambs for breeding purpose. Ewes were bred with Suffolk rams. Phone Lancaster LO-9-1756, or Mountville AT-5-4531.

Hog Cholera

(From page 12)

pigs are young. Also, it is the most economical time to vaccinate, since pigs are smaller and easier to handle. Vaccinating now would decrease the chances of a wide spread epidemic.

Losses from hog cholera are estimated to be about \$40 million annually The disease occurs in practically all parts of the country, and without protection in major swine-producing areas it could seriously affect farm income.

Buyer of Oak, WALNUT, Poplar, ASH, etc Also large quantity of tapered Locust posts for sale.
