unloads by itself automatically...from side or rear

No other forage box offers more—yet this Gehl Forage Box costs less than semi-automatic wagons. And now Gehl has added new optional features including: 40-inch conveyor extension for filling even the tallest bunks; a reversing apron for rear unloading. The Gehl Forage Box is really automatic—unloads by itself while driver sits and watches. It can be truck-mounted too! Comes ready-built or as a kit of metal parts with free building plans. Ask us about the low Gehl price!

FREE SAMPLE DOWPON... Kills Quack Grass

Problem grasses choke-out crops, reduce yields, make extra cultivating work! Clean up your fields with Dowpon*. It's more economical... more effective... kills grasses, roots and all... reduces regrowth problems. Will not injure grazing livestock if accidentally eaten. Apply in spring or fall before planting, or as a selective spray, or as spot treatment on certain crops.

Come in for your free sample. Enough Dowpon to spray 225 sq. ft. of problem grass.

Growing HEIFERS and Dry COWS need

Wayne FITTING RATION

Wayne Fitting Ration produces rugged, full-bodied heifers that are thrifty and ready to breed at an early age. Fitting Ration helps the dry cow replace flesh lost during the previous lactation and puts her in top condition to start the new milking period at a high level of production.

Bred heifers and dry cows must receive a highly nutritious ration in order to build the unborn calf. Wayne Fitting Ration supplies the vitamins, minerals, proteins and energy needed to drop birth weight and produce strong-boned calves.

In a test at the Wayne Research Farm, well fitted Holsteins produced 1720 lbs. more milk and 83 lbs. more fat than when not properly fitted.
