## **Broilers Sell** <sup>1</sup>/<sub>2</sub> Cent Higher

The Delmarva area report- Ext. ed prices of 16.90 to 19.30 on Hwy 779,200 head at farms during Med the 24 hour period ending Med 10:30 Friday morning. The Full damand was stronger and P-ye prices ranged to almost 1/2 cent higher than the day before.

Hyw Offerings were ample for current needs with demand Med 25. Roy B. Martin, 1300 W- for ready to cook poultry Pull V, 9-3, Roy E. Ream 19.1. good. Inquiry for next P-we good. Inquiry for next week's delivery active but P-we resistant to higher prices.

-Estimated slaughter by Del Ext. marva processors for the weekend was 624,000 head compared to the 670,000 head last weekend.

The Delmarva broiler-feed Stds ratio for the week ending July 22 was off two points from the previous week at Che Ext. 4.0. Broilers averaged 18.26 and mash cost \$91.93 per ton. Hyw The ratio for the same week last year was 3.7 when Ext. broilers made 18.02 and mash Hyw was costing \$98.54.

Georgia reported prices of Med 16.9 to 17.5 on 989,000 head Pullets 25 at farms during the 24 hour period ending 10:30 Friday morning. Estimated slaughter in Georgia for the week end is 2,113,000 head compared to the 1,806,000 head last weekend.

#### Fluid Milk

### Surplusses **Depress Price**

Production was generally downward but at a reduced rate compared to last year. In instances however slight increases were reported. wholesale prices ranging Bottling demand in all areas mostly \$4 90 to \$4 95 per 40 appeared only fair and disappointing. Surplus offerings were available in all areas.

Cool weather and good pasture conditions contributed to a relatively heavy flow and heavy offerings in the northeast

In the New York shed distressed offerings were forced for sale as low as \$4.80 with
