NEW! GEHL 72 CHOPPER

6-foot chopper at a 5-foot price

A full 6-footer for the forage harvest and green chopping plus all a shredder can do. Big, big capacity—PTO-powered with 72 inches of rotating flails and a knife-edged fan to double-cut the crop and keep 6 feet of swath sailing into the wagon. Loads it trigger-quick way back to the wagon corners. No fan threshing or crushing! Cuts and chops at the flails... chops finer at the fan. Up to 1/3 more capacity than most flail choppers. It's Gehl built... durable, and is actually priced below most 5-foot machines.

GEHL PUTS ALL THE PRICE FACTORS IN YOUR FAVOR

Part of the huge crowd which turned out Wednesday to witness the demonstration of new machines at the annual International Harvester Field Day on the Norman Kline Farm near Schaffertown, Lebanon County. Several thousand persons saw over 80 new tractors and machines in operation at the all-day event.

● **County Farms**

(From page 1) coat of barnyard manure, he told the group.

Over 100 farmers toured the Jay Garber farm at Lancaster R6 on a wagon train to see some of the conservation practices that make this

farm "One of the most nearly perfect conservation farms in Lancaster County", according to Martin Muth, Work

Unit Conservationist with the Soil Conservation Service. The field day was sponsored by the Lancaster County Soil Conservation district.

Introducing NEW PIONEER

Bulky Mix will stretch your grain... fortify it and make it more palatable

WHAT BULKY MIX WILL DO FOR YOUR DAIRY RATION

Bulky Mix is more than something bulky, something sweet, or something cheap. Bulky Mix actually corrects the Vitamin A and mineral deficiencies of grain... and, in addition bulks-up grains over 20% giving the ration a roughage-like texture.

Bulky Mix is economical to feed, too... a relatively low cost source of energy... saves grain... gets the job done efficiently.

HOW TO FEED BULKY MIX

● Bulky Mix can be mixed with Pioneer Concentrate and grain to make a complete ration

● Bulky Mix can be fed as a "top-dress" over regular dairy ration.

● Bulky Mix can be fed as a supplement to roughage... over silage or chopped hay.

● Bulky Mix can be fed "straight" as a between-meal treat.

You will be pleased with extra tone and condition Bulky Mix will put on your cows... and the eager-beaver appetite your cows will have throughout their lactation period.
