

Reducing pills seldom help people who would rather drive than walk to the corner drug store.

Seed Law
(From page 1)

pure, live seed of the desired variety amounts to only 3.15 per cent of the total seeds in the package.
"It is on the basis of pure, live seeds in the package that prices should be compared—not on the flat price per pound," Secretary Henning said.

This Week
(From page 4)

ment of production expenses, has increased by \$3.5 billion since 1949. But farm production expenses have gone up by \$9.2 billion. So farmers have \$5.7 billion fewer dollars, each worth 20% less, net income for family living

costs. Fewer farm workers account for the per capita increase in individual incomes.
That, in a nutshell, is the farm problem. And it is why business failures in rural towns now are at the highest rate since the early 1930's, according to the Commerce Department.

"Is the manager in?"
"No, he went out for lunch."
"Will he be in after lunch?"
"No, that's what he went out after"—Imp.
A beatnick figures he's real gone when he is only half there.
