

Manheim YFA Tours Plant

Fifty persons made up the annual tour of the Manheim Young Farmers Association early this week.

The tour included, in addition to inspection of the meat packing facilities at Kunz and Co., Inc., meats judging and identification contest.

After touring the plant, the group held a picnic and hot dog roast at Long Park, with hot dogs donated by the host plant.

The group has scheduled its next meeting on August 7 at the Southeast Pennsylv-

ania Research Laboratory near Landisville Dr. Thomas of the Agronomy Department at Penna State University will explain his corn research plots. The public is invited to the meeting which is scheduled to begin at 7.00 a. m.

The following persons attended the tour this week according to information received from Forney Longenecker, Litz R3, chairman of the tour committee and Joseph McGahen, advisor to the club: Mr. and Mrs. Glenn Brubaker, Mr. and Mrs. Abram Witmer and family, Mr. and Mrs. Glenn Hershey and family, Mr. and Mrs. Roy Garber and son, Mr. and Mrs. Forney Longenecker

Feed For PRODUCTION

It's easy with Wayne 16% Dairy

This clean, wholesome feed is high in digestible nutrients, carries a popular variety of blended ingredients, yet contains no fillers or screenings.

From straight from the bag to cows getting good quality roughage, Wayne 16% Dairy will push milk production to the peak of the cow's inherited ability to produce.

Properly balanced rations will boost milk production as much as 30%.
