## NEW! GEHL 72 CHOPPER

**6-foot chopper at a 5-foot price**

A full 6-footer for the forage harvest and green chopping plus all a shredder can do. Big, big capacity—PTO-powered with 72 inches of rotating flails and a knife-edged fan to double-cut the crop and keep 6 feet of swath sailing into the wagon. Loads it trigger-quick way back to the wagon corners. No fan threshing or crushing! Cuts and chops at the flails... chops finer at the fan. Up to 1/3 more capacity than most flail choppers. It's Gehl built... durable, and is actually priced below most 5-foot machines.
