 October 4 through 7, is al \$50 to the grand champ-
 ted to stimulate even ion field cured hay sample
 interest this year than
 last year when over
 entries came in from
 parts of the county and

Agri. Department
 This marks the first year
 that Vocational Agriculture
 will be a part of the curricu-
 lum in the Ephrata High
 School It will be offered to
 ninth and tenth grade boys
 who are interested in farm-
 ing or other fields related to
 agriculture It will also be
 offered to interested students
 from the Cocolico Union
 High School, Lewis Ayers,
 recently elected teacher in
 the new department said this

study for the student of vo-
 cational Agriculture during
 his high school career will
 consist of instruction and
 training in the basic principl-
 es and skills in the field of
 agriculture which cover such
 subjects as, Poultry Husb-
 andry, Dairy Husbandry, An-
 imal Husbandry, Soil Conser-
 vation, Field Crops, Vegeta-
 ble and Fruit Farming, Farm
 Management, Rural Sociolo-
 gy, and Farm Mechanics
 A certain amount of time
 will be devoted to on-farm
 instruction as well as in-
 struction in the classroom,
 this in turn will be suppl-
 emented with instruction in
 the farm mechanics shop.
 Ideally, one-half of the in-
 school time will be spent in
 the shop and the other half
 in the classroom The course
 of study is adjusted to meet
 the needs of the students and
 community
 Each student will be re-
 quired to start a supervised

Look closely at the cylinder of a row-crop No. 50 Forage Harvester
 ... You save power because cupped shape design cuts and throws
 ... Chops uniformly because 4 knives afford 12 feet of cutting edge.
 ... The difference in this cylinder is fast work, light draft, less cost.
 Ask us about a No. 50 Forage Harvester.
