Best Food Buys
 (From page 10)
 include peaches, plums, blue-
 berries, bananas, summer ap-
 ples, watermelons, cantal-
 oupes, honeydew melons,
 lemons and limes.
 Tree-ripened fresh peaches
 will continue in good supply
 throughout the month of Au-
 gust. Lower prices are not
 expected since the severe
 winter weather served to re-
 duce the size of crop in the
 Northeast. Fresh peaches and
 ice cream is a flavorful com-
 bination you will want to
 serve often as sundaes, par-
 fait pies, tarts and as fresh
 peach milk shakes. Supplies
 for canning, freezing or for
 fresh use are available at the
 local food store, roadside
 stand or farmers market.
