BACON ROAST FOR DINNER

A spicy curiant glaze may be spread over the Canadian Style Bacon Roast about 20 minutes before the end of the heating time. To make the glaze for a 2 pound roast combine $\frac{1}{4}$ cup curiant jelly, 1 teaspoon vinegar, $\frac{1}{4}$ teaspoon each of cloves and cinnamon and $\frac{1}{4}$ teaspoon dry mustard. Heat, stirring constantly, over low heat until the jelly is melted and the mixture is smooth.

BACON SANDWICH SUPPER

Talk about fun for everyone, here's a supper menu that is! The open sandwiches are

made by placing a slice of cheese on white and rye bread and slipping them under the broiler just long enough to melt the cheese and toast the edges of the bread. While the cheese is bubbly top each sandwich with either a slice of pineapple or a slice of tomato. Top each sandwich with strips of crisp bacon that have the sweet smoke taste. Serve the hot sandwiches with potato chips, pickles, olives.

Bacon flavor enhances the flavor of many soups and chowders, as you see if you try this.
