

E'Town FFA Holds Banquet

A farmer, a feed dealer and a former teacher of vocational agriculture were awarded honorary chapter membership at the recent meeting and banquet of the Elizabethtown Future Farmers of America.

Richard L. Breckbill, a farmer at Elizabethtown R3 was the first to be honored. Melvin M. Wenger, an Elizabethtown feed merchant was accepted into the chapter for his interest and assistance in the chapter's culturing program. Marilyn Henninger, the teacher of vocational agriculture who organized the chapter in the school and remained

as its advisor until last year was invited to return for the banquet and was given a honorary membership.

Kenneth Meyer, Elizabethtown R3, was named Star Chapter Farmer for all-around excellence in chapter activities. The Chapter Star Greenhand award for the outstanding first-year student went to the twin brother combination of Dennis and Donald Patches, Elizabethtown R1.

Winnings of other National FFA Foundation awards for outstanding work in the chapter were Willis Huckman, Elizabethtown R3 field crop production, David Keener, Elizabethtown R1, poultry

production, Garry Meyerhoffer, Elizabethtown R1, livestock production, and James Gish Rheems, farm mechanics.

After remarks by T. M. Mann, area advisor of FFA for York and Lancaster Counties and presentation of the chapter activities by Richard Snavely, Elizabethtown R3, Henry Hackman, Lititz R3 gave an illustrated talk of his trip to Poland.

Twenty-two of the 26 members of the chapter, along with their fathers, attended the second annual banquet. The meeting concluded with a Open House of the school's agriculture department.

Elvin Hess is teacher of vocational agriculture and advisor of the FFA Chapter.

Eggs can be substituted for meat and other protein foods in your diet. Two eggs will equal the amount of protein in one serving of cooked meat. Because of monotony you won't want to eat only eggs as the two servings of protein foods you need each day. An egg yields 77 calories and is a complete protein food.

Now Is The Time

(Continued from Page 1)
pens then feet will grow long and their legs will not be as strong or straight. This is especially true with calves over four months of age. The barnyard or an exercise lot is a good place for them either at their choice or to be turned out daily. Yearling heifers will do best in pens or open sheds with free choice of the outside exercise lot.
