## NEW PURINA 2-WAY CHICK HEALTH PLAN

1. Purina Chick Startena for vigor
2. Purina Tylan to knock out CRD

For the first time you can help get your baby chicks off to a fast, healthy start with this low-cost, easy-to-follow Purina Chick Health Plan

Chicks need the ten growth-boosting ingredients in Chick Startena to help give them a profitable start. New Purina Tylan Soluble contains tylosin, the first really effective antibiotic that fights CRD organisms present in a baby chick's system

### SAVE 25c ON EVERY 60 CHICKS YOU START!

When you buy Chick Startena, you can get a regular 60-chick packet of Purina Tylan Soluble — worth \$1 — for only 75c. That's a saving of 25c on every 60 birds you start.

Pick up as many packets of Tylan Soluble as you need at our Checkerboard Store when you order Chick Startena. But be sure to get both, and reduce the danger of early CRD losses for less than 1 1/4c per chick.
