

## Anniversary Banquet Plans Are Completed

Plans for the 10th anniversary banquet are being brought to completion with the making of centerpieces and favors for the guests.

The banquet is scheduled for April 21 at 6:30 p.m. in Kauffman's Tea Room, East Petersburg.

Mrs. Andrew Nissley, president, will preside and read a brief summary of the society's activities during the past 10 years including its sponsorship

of a Korean orphan and its donation to various projects.

The society was organized through the efforts of Mrs. Nissley and Mrs. Christian Brubaker Jr., its charter president. The society, numbered 23, started with 23 members. It has had these past presidents: Mrs. Brubaker, Mrs. John Herr, Mrs. Nissley, Mrs. Edgar Funk and Mrs. Nelson Hershock, the immediate past president.

Husbands and former members will be guests at the event, which is being planned by the social and program committees, headed by Mrs. Charles Frey and Mrs. Howard

Shaub, respectively. Each favor, one for everyone attending, will be made of a candle and a gaily painted hard boiled egg, set in styrofoam, to represent the number 10. Artificial flowers will decorate each favor. Mrs. Frey heads the decorating committee, with Mrs. Harold Hoak and Mrs. Melvin Hostetter, assisting her.

Henry H. Hackman, Manheim R2 farmer and school teacher, will show films of his trip to Poland. Mr. Hackman spent six weeks in Poland in the summer of 1960 as part of the Church of the Brethren's exchange program

## Neighbors Honor Mark Hosler

Approximately 125 friends and neighbors gathered Tuesday night to recognize Mark Hosler for the 16 years of service given as a local representative of Eastern States Farmers Exchange.

Addressing the meeting in

the Penryn fire hall, Eastern States area manager W. H. Dunlap of York announced that Hosler will relinquish his duties as a Local Rep. on April 16. At the same time, he announced the appointment of a two man partnership as new local representative for the cooperative.

Lester M. Gehman of Manheim RD and Lester E. Gehman of Mount Joy RD, will be doing business from limited storage space and a telephone location at the O and D Sawdust Co., Manheim until more permanent quarters can be obtained.

Lester M. Gehman is a successful poultry farmer with experience in working with a local E. S. Representative while Lester E. Gehman has a background of special training as a poultry serviceman.

Richard Adams, poultryman from the Lititz area, was chairman of the meeting.

A plaque from the cooperative was presented to Hosler. Friends and associates presented an office swivel chair to Hosler and a bouquet of flowers to Mrs. Hosler. The Hoslers served light refreshments to the guests.

## Farm Women 22 Hold Meeting

Members of Farm Women's Society 22 answered roll call with "An Easter Thought" at the Tuesday afternoon meeting in the home of Mrs. Paul Miller, 1719 Windy Hill Road, Lancaster. Mrs. John Neif, the co-hostess, led devotions.

A donation was made to the Lancaster County Society for Crippled Children and Adults. Members will serve at Crispus Attucks on May 23. A tour of the Child Development Center was featured Tuesday.

The next meeting will be Mother and Daughter Banquet on Tuesday, May 8, at 6:30 p.m. at the Dutch Dell, Rt. 72

We have the answer to your spreading problems

THE  
**LELY**  
PRECISION  
FERTILIZER  
DISTRIBUTOR  
AND SEEDER

LELY spreads fertilizer or lime, sows all types of farm seeds, large or small, including Bromegrass. Applies pelletized insecticides and herbicides.

Invest in a LELY for Quick Returns!

It does so many things so well. Width of spread up to 50 feet. Uniform spread for better crops. Pattern is adjustable too—side or rear. Positive agitator for lumpy or wet materials. Cleans in a puff. Trouble-free for years of rugged service. Hopper capacity up to 1000 pounds. Three models available—3-point hitch as illustrated, Tow type ground driven and Tow type P.T.O. driven.

Every modern farmer needs a LELY

**Kill Weeds, Insects  
with Broadcast  
or Row Crop  
Granular Chemical  
Applicators**

**Switch to granular chemicals!** Completely pre-mixed, no water to haul. Farmer-proved Noble row crop applicators fit most all planters, listers, seeders (2, 3, 4, 6-row). Let you kill weeds, insects while planting. Shown is Noble Simul-Caster, spreads both insecticides and herbicides with one pass over the row. Divided hopper holds 16 lbs. insecticide, 32 lbs. herbicide. Application rate from 8 oz. per acre to 50 lbs. To apply only one granular chemical at a time, Noble Single-Unit Applicator is economical buy; applies insecticide or herbicide.

**Newest broadcast applicator** is Noble Chemi-Caster. Applies either granular insecticides or herbicides with unheard-of precision and uniformity. Model 7 bands 7 ft.; Model 14, 14 ft. Rate is from 2 lbs. per acre to 50 lbs. Mounted on tractor's three-point drawbar, finger-tip control lowers applicators for close ground coverage when used over pre-emergence of crops, or raises to clear tops of post-emergence of crops. Tractor PTO-driven allows full maneuverability.
