During the work period the

New Providence 4-H Attend Chrch Services

Members of the New Providence made plans to attend Rural Life Sunday services at the Clearfield Methodist Church during a recent meeting in the New Providence Elementary School

The church has extended

first year girls started making skirts while the second year girls had an explanation of patterns

Next meeting of the group will be held May 29 at the Smoketown school

a special invitation to all 4-H Club members to attend the special services on Sunday morning, May 27

At the meeting of the club, a demonstration on "How to Plant Strawberries" was given by Jedic and Rebecca Atkins, New Providence R1

Assistant county agent Winthrop Merriam, spoke briefly on coming 4-H events and presented a film of club activities

Club reporter is Susan Atkins, New Providence R1

Generally it's best to prune after they bloom However, if they are badly overgrown, you can prune and reshape forsythia, honeysuckle, lilac, privet and barberry now even though you'll lose some bloom Don't

Elm-Penryn 4-H Girls Hold Tea

A mother-daughter Tea was held recently by the girls of the Elm-Penryn girls 4-H Club at the home of Mrs Marvin Heisey

County Home Economist, Mrs Norma DeLellis, gave a talk on selection of materials for a 4-H clothing project

HARSH HYDRAULIC HOISTS

The 32 available models come to you with a wide range of lifting capacities ranging from 3½ to 20 tons for your truck, pickup, or trailer The smooth, trouble free action of a HARSH HOIST has a fast lifting time of from 12 to 160 seconds, which allows more time for actual hauling

These hoists come to you at an average cost of only 16¢ a day as compared to the \$10-\$15 a day you now spend to manually unload your truck

To design and build a light-weight, low-costing truck hoist suitable for all types of farm use, priced within the average farmer's budget was the aim of "Bud" Harsh when HYDRAULICS UNLIMITED MFG. CO. began operations This hoist was built and is now in use throughout the nation.

The HARSH HYDRAULIC HOIST averages only \$328.52 (including Federal excise tax) and maintains a low taxable weight which averages 273 lbs These economical hoists are built for either back or side dumping, depending upon your need

Save costly time and eliminate back-breaking labor by unloading with a HARSH HYDRAULIC HOIST engineered for economical, speedy, and durable farm use.
