town R 1, Adams' Conty. Third runnerup and winner of the "most congenial" award was Miss Dora Jean Kirkholt, Beaverville R 2, Berks Conty.

Miss Kreider, the daughter of Mr and Mis J. Everett Kreider, Quarryville R 1., is a 1961 graduate of Solanco High School and is employed

as a secretary in the office of the County Agent. She has been a 4-H club member.

Serving as secretary of the agriculture division of the Lancaster County 4-H council, Miss Kreider is a representative of the county Jersey-Aryshne, Brown Swiss 4-H club. She has exhibited dairy animals each of the ten years she

She was elected Miss Milkmaid of Lancaster County earlier this month at a meeting of the Lancaster County Milk For Health, a non profit milk promotion organization. Eleven other area milk clubs were in the competition at Reading.

**4-H Forestry Club Organizes**

The first meeting of the newly organized 4-H Forestry club was a field trip through the woods on the farm of Raymond Henry, New Providence R-1.

Six members of the New and one member of the Druprovidence Community club more club were charter members who accompanied John Kitch, district forester and assistant county agent, Winthrop Merriam, who conducted the trip.

Any other person between the ages of 10 and 20 interested in joining the club is asked to contact the county agent's office in the Lancaster Post Office building

People who smile the most are the hard workers, says a doctor. Keep up on your toes and you're not down in the dumps.

**MISS MILKMAID OF LANCASTER** County, Miss Joyce Kreider, of Quarryville R1, was second runner up in the Pennsylvania contest for the state Milkmaid title. Miss Kreider, touring with the 11 other finalists from throughout the state visited on the farm of Clarence Keener, Manheim R3, Wednesday afternoon before traveling to Hershey for the state finals. The Holstein heifer is from the Keener herd. L. F. Photo.

**MH-30 halts tobacco suckers —increases yield up to 20%**

Sprayed correctly at full-flower stage, MH-30 prevents sucker growth to produce higher quality tobacco. And because remarkable MH-30 retards sucker growth chemically, it cut the cost and labor of hand suckering tobacco.

More and more growers are producing higher yields of quality tobacco, some as high as 20%, as they eliminate back-breaking hand labor with MH-30 and increase profits. Isn't it time you tried it? For full information, see your local supplier or write: Dept. 6163 - MHT, Elm Street, Naugatuck, Connecticut.
