

Manheim FFA Boys On Tour Write Home

A letter was received this week from members of the Manheim Chapter Future Farmers of America on a six-week tour of the western United States.

The boys, writing from Upland, California, reported no trouble thus far on the tour which has taken them through many of the southern states and to Mexico

The four boys on the trip, San Antonio, and the bull-financed by a group farming fights in Mexico. project, are David Graybill, "The Carlshad Caverns, the past president; Larry Rohrer, Rocky Mountains, The Garden past treasurer; Jacob Harnish, of the Gods Cave of the Winds, past secretary, and Glenn Myers, Seven Falls, and Royal Gorge ers, past sentinel of the chapter were among the natural wonder The group is the smallest ders seen during the next since the annual trip was organized.

Parts of the letter are as follows: "Most of the first week was spent traveling through the south to Mexico. Some of the highlights were Skyline Drive, Natural Bridge Creek mining area where 150 of Virginia, Smokey Mountain mines once produced \$800 million worth of gold.

"After a visit through the tired farmer in the Manheim Cudhay meat packing plant and the Denver Stockyards, we toured Rocky Mountain National Park and started for Salt Lake City. On July 8 we attended services in the Mormon Tabernacle.

"After swimming in Salt Lake we toured Brice Canyon and saw the Glen Canyon Dam which is now under construction.

"We drove through Las Vegas . . . and visited Calico ghost town, and then we started for Upland, California. We are really enjoying ourselves. We didn't shave yet, but when you look at Jake, (Jacob Harnish) you wouldn't know the difference."

The boys are being chaperoned by Isaac Metzler, a re-

HARSH HYDRAULIC HOISTS

The 22 available models come to you with a wide range of lifting capacities ranging from 3 1/2 to 20 tons for your truck, pickup, or trailer. The smooth, trouble-free action of a HARSH HOIST has a fast-lifting time of from 12 to 160 seconds, which allows more time for actual hauling.

These hoists come to you at an average cost of only 16¢ a day as compared to the \$10-\$15 a day you now spend to manually unload your truck.

To design and build a light-weight, low-costing truck hoist suitable for all types of farm use, priced within the average farmer's budget was the aim of "Bud" Harsh when HYDRAULICS UNLIMITED MFG. CO. began operations. This hoist was built and is now in use throughout the nation.

The HARSH HYDRAULIC HOIST averages only \$328.52 (including Federal excise tax) and maintains a low taxable weight which averages 273 lbs. These economical hoists are built for either back or side dumping, depending upon your need.

Save costly time and eliminate back-breaking labor by unloading with a HARSH HYDRAULIC HOIST engineered for economical, speedy, and durable farm use.
