Lampeter Fair Beef Show Is Won By Larry Weaver

The Kinloch Farms-bred black was tapped for grand champion of the show and strutted his stuff to help Wesley collect the fitting and showing awards as well.

Nancy Frey, Marietta R1, had her reserve champion, a Hereford, fitted well enough to place next to the champion in the grooming class as well as the type judging.

His job was complicated by the heavy downpour which forced the showing inside to the tie up area of the Keller building. The 15 Angus and eight Herefords competed for standing room in the hotly contested showmanship contest.

Bradford County known cases have included three cows and three foxes. In Tioga County, the disease has been found in three cows, three cats, one dog and one fox. Neither county reported a rabies case in 1961.
