

## Co. Beekeepers Meet; Sponsor 4-H Roundup

Things were buzzing at 910 State Street, Lancaster, on Thursday night as the 4-H Beekeepers roundup was followed by a meeting of the County Honey Producers Association.

Daniel Hershov, the 15 year old son of Mr. and Mrs. Elwood Hershov, Lititz R2, won top prize for his project exhibit.

Hershov took 253½ pounds of honey from his four colonies during the past honey season. He scored 98.4 out of a possible 100 in his second year project book.

Other placings in the 4-H roundup were as follows. 2, Kenneth Herr, Kirkwood R1, 3, Harvey Heller, 751 Willow Road 4, Roger Stoner, 1051 Eden Road, 5, Garry Porter, Washington Boro R1, 6, William Houser, Lampeter.

Judge of the contest, William W. Clarke, extension apiculturist from the Penn-

sylvania State University, told county honey producers the honey flow across the state was good, considering the weather, and that the honey market is good.

Clarke cautioned beekeepers to check all colonies for food supplies before cold weather. Each colony should have at least 60 pounds of honey in order to stand the winter.

If the bees do not have a supply of feed, Clarke suggested feeding the bees a syrup of sugar and water.

## Auxiliary Makes Apple Dumplin's

An old fashioned apple dumplin bake is being sponsored by the ladies auxiliary of the Mastersonville fire company from 4 to 8 this afternoon.

According to Mrs. Ruth Shelly, reporter, there will be take outs of cider, dumplin's, shoofly and apple pies "like mama used to make" "Bring the family and eat yourself full. The Apple dumplin's sure eat good," she said.

## Guernsey Men Set Banquet For Next Week

A program of awards, election of directors, and a magic act will be featured at the annual banquet and business meeting of the Lancaster County Guernsey Breeders Association next week.

The ham dinner is scheduled to begin at 7 p.m. on November 2, in the Rhoad's Spanish Tavern, Quarryville.

The committee has added a series of awards for high milk production from purebred Guernsey cows. The awards will be made during the evening.

Three directors will be elected for a term of three years, and standing committees will make reports.

Entertainment for the meeting will be furnished by John Ziegenfuss of York, president of the Eastern States Magicians Alliance.

Banquet committee members are Charles McSparran, Andrew Burkins, and Robert McSparran.

## Furniture Placement

Never place your fine wood furniture where it will be constantly subjected to heat, direct sunlight, or open windows, remind Penn State extension home management specialists. Even when woods have been treated to resist almost anything, it pays to read tags and labels for instructions the manufacturer gives for the care of his product.

## Children's Clothing

Buy your children's clothing with the same care you use to buy your own, advises Bernice Tharp, Penn State extension clothing specialist. Fit is just as important to children as it is to you. In buying

for correct fit, look for growth features. That means look for deep hems, partly elasticized waistlines, fullness across the back and chest, and adjustable cuffs.

8th ANNUAL

# FEEDER CALF SALE

LANC. UNION STOCK YARDS

---
