

**CAN YOU FILL IN THE MISSING WORD?**

The answer should be easy because some things just naturally go together.

Take electricity for example. It just naturally goes with comfort, convenience and a low-cost way of getting things done. That's why electricity and better living go hand-in-hand . . . to make it the biggest bargain in your family budget today.

 make present farm systems, "as obsolete as the high, wooden-wheeled wagon".  
 He said one agriculture engineer in his company is working full time on developing steel slatted floors for hogs and poultry. He said they are also exploring the possibility of the same type of floor for beef and dairy cattle operations.  
 He described a "do it yourself" steel building with the frame on the outside that is erected without a bolt or screw in the entire structure. Pre-formed panels are slipped into the framework from the top and fastened to the
