any price and I might add dirty, devious politics because we were sold out while we were led to believe they were acting in behalf of our best interests.

Additional facts as follows, Fact . . . The wheat program is primarily an economic issue to all farmers and associated industries and is farmer designed and operated. Fiction by the Farm Bureau Federation says the wheat program is simply a political tool designed to give bureaucrats control of your farm (This was used in 1938 and before) Fact . . . All wheat types are in surplus supply, soft red winter wheat is app. 3 million bu

spring says there is no surplus of Penna. type wheats This can be conveniently altered depending on location of meeting.) Fact . . . A 10% reduction in acreage and yield is proposed across the entire nation Fiction, again F. B. Federation indirectly maintains that acreage allotments are proportionally greater in the big wheat states In the east we are told the midwest is producing all the surplus and "visa-versa". Fact . . . A sound wheat and feed grain program will make a great contribution to a sound livestock and dairy industry Runaway production of cheap feed is historically the predisposing condition for similar condi-

tions in the livestock industry. Fact . . . This is a ONE YEAR program provided two-thirds of all participating wheat farmers vote for it Fiction from Pa. Farmers Assn. says if the 1964 wheat program becomes law the Secretary of agriculture will assume dictatorial control of your farm in 1965!

Farmers of Lancaster County, please come out and vote for your own best interests and that of the nation's agriculture on May 21st Questions can be addressed to me or to your local A S C office.

Sincerely,

Wheat Legislation

(continued from page 1)

MQ-24 forms to the county ASCS office before May 13, and to encourage their neighbors to do the same

He said, "They tell us there will be no new wheat legislation if the referendum fails" He then read a list of congressmen who will be running for reelection next year and added, "These men know if they don't come up with a good bill, they won't be coming back to congress."

"Who will manage your farm — you or the federal government?" he asked

SUCCESSFUL POULTRYMEN PLEASED with FARM BUREAU'S IMPROVED LAYER Feeding Program

TODAYS COST-PRICE SQUEEZE demands maximum feed and management efficiencies! Profitable "layer operations" don't just happen — they are the result of healthy birds, a carefully formulated balanced feed ration and feeding program plus a well planned, and properly executed, management program.

FARM BUREAU POULTRY FEEDS, backed by the nations most extensive Feed Research Program, are formulated to help you produce eggs more efficiently and more economically.

FARM RECORDS, available upon request, reveal "Lower Feed Conversions" and "Lower Cost per Dozen Eggs" in both large and medium size flocks now on the Farm Bureau Improved Layer Feeding Program.
