

County 4-H Council Elects Two 1963 Posture Queens

County 4-H'ers named two of their members "Posture Queens of 1963" at ceremonies during their annual field day Thursday at Long Park.

Miss Mary Ann Wolgemuth, daughter of Mr. and Mrs. Harry Wolgemuth, Bareville, was named to reign over the senior division, while Miss Susanne Mumma, daughter of

Mr. and Mrs. Harry Muuma, Manheim R1, is the monarch of the junior section.

The two 4-H members won out over more than 50 contestants and were presented their crowns by last years winners Miss Kay Ream, junior division, and Miss Lois Johnson, her senior division counterpart.

SENIOR DIVISION OF THE 4-H Posture Queen contest was won by Miss Mary Ann Wolgemuth, Bareville, daughter of Mr. and Mrs. Harry Wolgemuth. Crowning the new monarch at ceremonies in Long Park Thursday night is the 1962 queen, Miss Lois Johnson.

Miss Wolgemuth, twenty, represented the New Holland Community 4-H club, is a graduate of Conestoga Valley High School, and is employed as a laboratory technician at Lancaster Laboratories.

Miss Mumma, representing the county 4-H Guernsey club, will be a freshman this year at Hempfield High School.

The Posture Queens were judged on carriage, appearance, personality and poise.

Education, Engineering, and Enforcement have long been the basic elements of safety improvement. On the farm as elsewhere, safety education and enforcement of safety rules are the most difficult to achieve.

WINNER OF THE JUNIOR division of the 4-H Posture Queen contest was Miss Susanne Mumma, Manheim R1, daughter of Mr. and Mrs. Harry Mumma. Here she is being crowned after her election by last year's junior queen, Miss Kay Ream.

Property losses from farm fires have increased steadily since 1940. In 1961 the total was \$163 million, an increase of 155 per cent in 22 years.

Mechanical failure rarely is responsible for an accident with modern farm equipment. Nearly every accident results from an operator's mistake.
