**SUGAR POPS LOLLIPOPS**  
 3/4 cup brown sugar, firmly packed  
 1/4 cup corn syrup  
 1 tablespoon butter or mar-

garine  
 4 cups sugar coated puffed corn  
 14 4 1/2 inch wooden skewers  
 Combine sugar, corn syrup and butter in 2-quart saucepan. Cook over moderate heat, stirring constantly, until sugar is dissolved and mixture begins to bubble. Remove from heat. Add cereal, stirring until well-coated with syrup. When cool enough to handle, shape into circles about 2 1/2 inches in diameter and 3/4 inch thick. Insert a wooden skewer into each to resemble a lollipop.

NOTE: 1 cup salted peanuts may be substituted for 1 cup of the cereal.

For a special treat, serve this quick Walnut Coffeecake to your friends at "milk break" time, or to the family for breakfast or brunch. With tall glasses of ice cold milk and plenty of butter, it really hits the spot.

**WALNUT COFFEECAKE**  
 3/4 cup (1 1/2 sticks) butter  
 1 cup sugar  
 1 teaspoon vanilla  
 2 eggs  
 2 cups sifted flour

1 teaspoon baking powder  
 1 teaspoon baking soda  
 1/2 teaspoon salt  
 1 cup dairy sour cream  
 1/4 cup firmly packed light brown sugar  
 1/4 cup sugar  
 1/2 teaspoon cinnamon  
 1/2 cup chopped walnuts  
 Cream together butter and 1 cup sugar until light and fluffy. Add eggs one at a time beating well after each addition. Sift together flour, baking powder, baking soda and salt; add to creamed mixture alternately with sour cream beginning and ending with dry ingredients. Spread evenly in pan. Mix together brown sugar, 1/4 cup sugar, cinnamon and walnuts, sprinkle over top of batter. Bake 45 to 55 minutes in a 350 degree oven. Use a 9 inch square pan, buttered, for this recipe.

**RHUBARB BAKE**  
 2 pounds rhubarb, cut into 1 inch pieces (approx. 2 quarts)  
 1 to 2 cups sugar, depending on tartness of rhubarb  
 1/4 teaspoon salt  
 1 1/2 cups dairy sour cream  
 1/2 cup firmly packed light brown sugar

In a saucepan place rhubarb with sugar and salt; cover and allow to simmer in own juice, stirring occasionally, until just tender (will cook down to approximately 1 quart). If rhubarb is exceptionally juicy, thicken slightly with tapioca. In casserole, layer in the following order: 2 cups rhubarb sauce, 3/4 cup sour cream, and 1/4 cup brown sugar; repeat. Bake 12 to 15 minutes in a 350 degree oven. Serve warm or cold. Use a shallow 5 to 6 cup casserole for this recipe. Makes 6 to 8 servings.

**Good To Know**

Peanuts and peanut butter are valuable additions to standard family fare. Their high-quality protein, niacin and other B vitamins, minerals, and rich, flavorful taste make them good eating any time of the day. For a tasty sandwich filling, combine chopped hard-cooked eggs and peanuts with mayonnaise. Prepare your favorite dumpling mixture, stirring a dried herb, such as basil, parsley or oregano, into the dry ingredients. Drop the dumpling batter into hot soup and simmer until the dumplings are fluffy-tender — about ten minutes. Gives a favorite soup a new flavor.

**Guides For Using Color**

Color can establish the mood of a room, create excitement, or invite rest. There is no one rule for the use of color, but some guides include: Try building a color scheme around an existing pattern in a fabric, wallpaper, floor covering, or picture. Consider the amount and position of natural and artificial light in a room. Notice the exposures of the room and use colors accordingly. Color repeated throughout a room can contribute to a sense of unity, too many colors in a room will destroy unity. Use color to create effects, make rooms appear larger, ceilings higher.

**Children and Their Jobs**

Children cooperate more and perhaps enjoy a task more if they get to pick and choose their jobs. Sometimes it's surprising what jobs they pick — quite different from what their parents would have expected or assigned. But children shouldn't be given jobs beyond their

ability. Neither should they get ones simply because Mother and Dad don't like to do them. A child will realize he's getting a not-so-good job and he'll probably dislike the job and resent the persons who gave it to him.

**Some Guides to Lawn Mower Safety**

Walk over the lawn and pick up toys, stones, wire, and other debris before each mowing. Don't allow young children to operate a power mower or play near one while it is running. Never leave the mower unattended while it's running. Be conscious of the danger that exists from getting feet or hands under the mower. A self-propelled mower is more dangerous than the hand-propelled type.

**Good To Know Anytime**

Dampened clothes waiting for you to iron invite mildew. So here's how to prevent mildew. If you can't iron dampened articles within a few hours after sprinkling them, wrap in plastic and put in the refrigerator. They'll stay fresh for several days.
