(Continued From Page 10)

- 1 1/2 cups milk
- 1/2 cups melted butter or margarine
- 1 package (12 ounces) frozen blueberries, thawed and drained

Combine first 4 ingredients in sifter; sift into mixing bowl. Add eggs, milk and melted butter or margarine; stir until dry ingredients are just moistened. Fold in blueberries. Fill well-greased medium sized muffin pans 3/4 full. Bake in hot oven (400 degrees) until

done, about 20 minutes. Cool in pans a few minutes; remove and finish cooling on wire rack. Makes 18 muffins. For plain muffins, omit blueberries.

**PECAN ORANGE MUFFINS:** Follow recipe above; omit blueberries, add 1 teaspoon grated orange rind and 1/4 cup chopped pecans.

**RAISIN OR DATE NUT MUFFINS:** Follow recipe, omit blueberries, add 1/2 cup finely chopped pitted dates or seedless raisins and 1/2 cup chopped nutmeats.

**'APPLE CRUMB COFFEE CAKE**

- 1/4 cup warm water (105-115 degrees)
  - 1 package or cake yeast, active dry or compressed
  - 1/2 cup (1 stick) margarine, softened
  - 1/2 cup sugar
  - 1/2 teaspoon salt
  - 3 eggs
  - 1/4 cup milk
  - 2 1/2 cups unsifted flour
- Measure warm water into small warm bowl. Sprinkle or crumble in yeast. Stir until dissolved. Cream margarine thoroughly in large electric mixer

bowl. Gradually add sugar and salt. Cream together. Add yeast mixture, eggs and milk. Beat at medium speed until well blended. Gradually add and blend in flour while beating at medium speed; beat until mixture is well blended. Spread batter in well-greased 9 x 9 x 2-inch square pan. Arrange Apple Crumb Topping (below) over dough. Cover; let rise in a warm place, free from draft, until doubled in bulk, about 1 hour. Bake in a moderate oven (375 degrees) about 35-40 minutes. Turn out of pan and cool on wire rack.

**To Insure Long Wear From Jeans, Look For**  
Strong fasteners, easy to adjust

Close, even stitching — double stitched, felled seams for strength.

Conveniently located pockets. Riveted or bartacked reinforcements at points of strain.

Garments cut with the true grain of the fabric to prevent twisting around the leg.

A label that states the garment won't shrink more than one percent — controlled shrinkage assures a better fit.

Garments that carry a vat-dyed label. They should not lose their color when laundered or fade because of exposure to light. However, all jeans will fade with time at points of hard wear, such as knees and pockets.
