Help Lancaster County Farmers Gain **MORE PROFIT** From Their Farming Operations

When one of them calls on you — share some of your time with him . . . it will **PAY YOU!**

You'll be amazed at the immense supply of data he carries. Scores of 'how-to' questions are raised and answered. By authorities who **KNOW** their subjects. Mighty valuable crop-information — some of it could pay-off in your operations.

Each carries a brand new "Blue Book" featuring the latest on disease-fighting alfalfa. Best-producing clovers. Newest Grassland Farming Formulas . . . 13 complete blends for Hay-Pasture-Silage. All the regular and emergency farm-crops. And, of course, today's great Funk's-G hybrid corn strains. (One is pictured on the opposite side of this sheet.)

To supply you with **TOP**-producing seed-strains. To get them to you quickly when needed. To help guide you down the right lanes to better-paying crops. That's the mission of these Hoffman Seed Men. Phone numbers are listed above for your convenience in arranging a prompt visit. Let your Hoffman Seed Man serve you . . . soon.
