

Broiler Prices Ease Back Prices Steady, Demand Fair

Live broiler prices ranged 16.0 to 19.0 for a sale average of 16.39 at the Lancaster Poultry Center this week as 37,700 head in 11 lots were sold.

The January 16 average was down more than a cent from the previous week, but was more than a cent above the comparable sale a year earlier. Three lots of heavy fowl including 4,850 birds brought 18-18.5. A lot of 500 roasters sold for 22, and a lot of 6,000 leghorn fowl changed hands at 9 cents a pound. All birds on offer were sold.

The auction offered and sold 49,220 birds in 16 lots.

The complete auction report follows with lot number, seller, grower in parenthesis, amount and breed, age in weeks and days, buyer and price.

● Delmarva

Prices Steady, Demand Fair

Live broiler prices in Delmarva continued steady at 15.0 to 16 1 at farms during the 24 hour period ending 10:30 Friday morning. Reported purchases were 904,100 head including 422,600 offered and sold at Thursday's auction in Selbyville, Del. Demand was fair for the moderate offerings.

Ready to cook demand was mostly fair with prices mostly a half cent lower as processors attempted to spur purchases.

Estimated slaughter by eastern shore processors for the week end was 877,000 head compared to the 844,000 head last week end.

The Delmarva broiler-feed ratio for the week ending January 10 was up four points at 3.2. Broilers during the week averaged 16 08 per pound and mash cost the grower \$100.14 per ton.

B for BITS

Available only from Eastern States

Poultry Feed With Built-in Earning Power

"The BITS Family" from Eastern States offers something new, different and exciting to poultrymen . . . a whole family of feeds that assures maximum earning power from birds throughout their entire life cycle. When your profits are measured in saleable eggs, Eastern States BITS are the right feed for you. BRE-BITS for breeders is highly fortified for active transfer of nourishment from the breeder hen to the egg and then on to the baby chick. GRO-BITS provide the complete nutrient complex which scientists indicate is needed to grow pullets with full potential. LAY-BITS helps these pullets produce a high volume of uniform eggs with eye appeal, taste appeal and built-in sales appeal. BITS by Eastern States are formulated with Feed Additive Extras to satisfy the specific needs of your birds at every stage of growth and maturity. The objective. greater earnings per bird! For highest earnings per bird, Better Buy BITS!

Better placed
GRAIN
FERTILIZER
SEED

with ALL-CROP Drills

Accurate, MICRO-FEED placement through the TWIN BOOTS meters grain and fertilizer carefully . . . separately. No danger of burning.

Rear-mounted hopper for small seed puts clovers or grass in a band immediately in front of rubber press wheels. The result is a better stand, faster sprouting . . . and better weed control because only the seeded band is pressed.

Come in today. Let us show you the many other advantages of ALL-CROP drills that add up to better stands . . . with less seed.

Your Choice of Equipment—Single disc openers with regular bearings or sealed ball bearings, double disc openers, three kinds of hitches, wide or narrow press wheels

ALL CROP is an Allis-Chalmers trademark.
