

Broilers Continue Steady

Broilers averaged 15 7/2 at the January 23 auction at the Lancaster Poultry Center.

A total of 27,200 broilers in seven lots ranged in price from 15.6 to 16.7. Four lots including 1,300 broilers failed to sell at the offered bids of 15.6 and 15.7.

Four lots of heavy fowl including 4,100 head brought 17.6 to 18.1. A lot of 2,500 heavy fowl failed to sell at the bid of 15.2.

One lot of leghorn fowl including 375 head sold for 7.4 and 650 males brought 8.0.

The complete sale offered 50,375 head in 20 lots and sold 34,375 birds in 15 lots.

The complete sale report follows with lot number, seller, grower in parenthesis, amount and breed, age in weeks and days, buyer and price.

Delmarva

Broilers Down More Than 1/2c

Live broiler prices declined more than a half cent to 14.5 to 16.5 during the 24 hour period ending 10:30 Friday morning. Delmarva reported demand only fair with ready to cook demand slow and un-aggressive.

Estimated slaughter for the week end by Eastern Shore processors was 756,000 head compared to the 877,000 head last week end.

Reported purchases during the period totaled 792,300 head including 403,300 head sold at Thursday's auction in Selbyville, Del. More than a quarter of the sales were at 15 to 15.4.

The Delmarva Broiler-feed ratio for the week ending January 17 was steady at 3.2. Broilers during the week averaged 15.85 per pound and mash cost the grower \$100.14 per ton.

Nuts in the shell keep longer than shelled nuts, and whole nutmeats keep longer than chopped ones, reminds Louise Hamilton, Penn State extension food specialist. Also unsalted nutmeats stay good longer than salted ones. Put shelled nuts in tightly covered containers or aluminum foil wrapping and store in a cool place. Nutmeats pick up odors and flavors of other foods.

Toxite

Police Your Farm

Toxite is always on duty. Toxite is an oil base disinfectant that penetrates all cracks and crevices to prevent infestation. Use Toxite in most farm buildings to prevent decay, eliminate termites...

use it diluted in hog and cattle oilers to control lice and mange. Control fleas in dog kennels and cocci-diosis in rabbit hutches.

Toxite kills the criminals, Toxite kills red mites, fowl ticks, fleas, blue bugs, roaches, ticks, ants, hog lice, termites, bed bugs on contact.

Easy to use Toxite can be sprayed, dipped, poured, soaked or painted on any surface.
