

## Co. Farm Women Board Meets

The executive board of Lancaster County Society of Farm Women met Tuesday at the Cleram Baptist Church. Mrs. John Frantz, Society 15, and Mrs. Joseph Best, Society 20, were the hostesses. Mrs. William Heisey was in

charge of devotions. The group voted to sponsor a county-wide 4-H vegetable and flower round-up. Twenty-five members from the different societies will serve as waitresses at the Heart Haven luncheon on April 21.

Mrs. Landis Myer, president, presented a letter from Mrs. Almo Musser, state president, naming a new committee as the scrapbook committee. The scrapbooks will be judged at

the state convention held in Harrisburg.

Society 15 through 25 will provide the food and chaperons at the USO on May 2. The June board meeting will be held at the home of Mrs. Aaron H. Denlinger, Society 7, with Mrs. Samuel Dum, Society 19, as assisting hostess.

## Toxite

Police  
Your  
Farm

Toxite is always on duty. Toxite is an oil base disinfectant that penetrates all cracks and crevices to prevent infestation. Use Toxite in most farm buildings to prevent decay, eliminate termites . . . use it diluted in hog and cattle oilers to control lice and mange. Control fleas in dog kennels and cocci-diosis in rabbit hutches.

Toxite kills the criminals, Toxite kills red mites, fowl ticks, fleas, blue bugs, roaches, ticks, ants, hog lice, termites, bed bugs on contact.

Easy to use Toxite can be sprayed, dipped, poured, soaked or painted on any surface.

## DO YOUR COWS OWE YOU MONEY?

If your cows aren't producing up to their full capacity, they do. Here's how to get what they owe you: Put 'em on Pioneer, the feeds with balanced amino acids for better protein building. Amino acids are the basic building blocks of proteins. When they're balanced, you get top production, top profits. The people at Pioneer know this because they've put more than 90 years into scientific research and development. That's why Pioneer will help you challenge your cows to produce up to their bred-in ability. It builds big, healthy calves that develop into high-producing, high-profit milkers. And when dry cows freshen, Pioneer gives them the nutrients they need for producing more milk than before. So let us help you collect more money from your cows. Stop in or phone soon.
