**Manheim Beauty Is In NEPPCO Queen Contest**

A 123-lb. dark-haired, dark-eyed beauty from Manheim, Pa., is the first entrant in the contest to select the Poultry Princess of the 14 northeastern states sponsored by the Northeastern Poultry Producers Council (NEPPCO).

Mary A. Romberger, 20, has filed the initial application to take part in the NEPPCO Poultry Princess Pageant highlighting the annual exposition of NEPPCO in Harrisburg, on Oct. 6-7-8. Entrants from all sections of the 14-state north-

eastern area are expected to apply during the immediate weeks ahead, contesting for the \$500 U. S. Savings Bond first prize and a year's activity as the reigning princess.

Miss Romberger, daughter of Mr. and Mrs. Mark T. Romberger, 68 New Charlotte St., Manheim, filed her application at NEPPCO headquarters, 10 Rutgers Place, Trenton, N. J., in cooperation with her official sponsor, Hess Brothers, Inc., eastern egg marketing firm located in Ephrata, Pa.

Last year, Hess Brothers sponsored Miss Joan Martin of Lancaster, who won second runner-up position.

The Pageant will be held in the Penn Harris Hotel, Harrisburg, Pa. on October 7. It is part of the activities associated with NEPPCO's 27th Annual Exposition and Convention in Harrisburg's Farm Show Building, October 6-7-8.

**4-H CLUB MEETS**

The Merry Stitches 4-H Club of Manheim Township met Tuesday at the Manheim Township Junior High School in different years of club membership explained the advances made in their projects.

Mrs. Doris Thomas, home extension representative for the 4-H Club, Miss Alice Sauer and Mrs. Joane Warner assisted the members in their projects. A work session followed the meeting.

The next meeting will be held June 25 at 1:30 p.m. at the Manheim Township Junior High School.

**What is that calf in your barn?**

**YOUR MILKING HERD FOR TOMORROW!**

Top-producing herd replacements — healthy, growthy heifers — must be built . . . must be developed by careful calf feeding plus close attention to other basics of good calf management.

**PIONEER VIG-R-CALF and PIONEER CALF STARTER**

are formulated to meet the nutritional needs of the calf completely. Calves raised the PIONEER way develop a larger capacity for feed.

They grow faster . . . they are healthier.

That is why thousands of good dairymen rely on PIONEER VIG-R-CALF and CALF STARTER . . .

to make a good calf a better cow.

. . . the feeds with balanced amino acids for better protein building
