when you buy a **GEHL Chop-All**

Free camera? Free bike? Choose finer chopping with a Gehl Chop-All . . . then take your pick.*
 More reasons to go with Gehl: New Select-A-Cut transmission changes forage length — short, medium or long — with the push of a lever. New Easy-Swing drawbar features fingertip adjustment right from the tractor seat. And . . . famous Gehl fine chopping! Six flywheel-mounted knives cut forage from inside to outside (like scissors) against the long-lasting tungsten-carbide cutter bar. Knives are chrome-edged to stay sharp longer.

Stop in soon. Look over the new Chop-All and get details about the free bike or camera kit. You'll like both your Gehl and your gift.

*Offer good only between February 1, 1964 and July 31, 1964
