sation on all damage claims. There is no one answer to later be regretted. all settlement claims, Hatfield cautioned. Every settlement must be handled on an individual basis.

Hatfield also pointed out to the farmers that to avoid undue tax stress on the community of property owners that remain in possession of their land after the project has been completed, the state has set Mr. and Mrs. Robert W. Ulaside funds to ease the tax void left by the departing land owners. The state then makes up the tax deficit until the remaining land values have Mr. and Mrs I. Eby Hostet-1t.

In closing, Hatfield reminded the group that the govern- Clifford Bollinger, sixteen, son Chapter. ment has the right to take this of Mr. and Mrs. Abram Bolland for public use.
