

Area Guernsey Records Posted

The American Guernsey Cattle Club recently reported the following herds with cows that have completed official DHIR production records on two times-a-day milking:

Two cows in the R F & L. A. Witmer herd at Willow Street were among those listed. Penn Del Reliable Bessie and Penn Del Reliable Margo, both senior 4-year olds, milked for 305 days, produced respectively, 12,940 pounds of milk, 664 fat, and 15,450 milk, 706 fat

In the J Rohrer Witmer, Willow Street, herd there were also two cows completing records. They were Lynbrook M B W Ann, a 12-year old that produced 12,300 pounds milk and 574 fat in 305 days; Wiltas Perts Sandra, a 6-year old that made 12,420 of milk and 611 fat.

FARM WOMEN #3 HEAR OF LIFE IN GERMANY

At their regular meeting held on Feb. 20 at the home of Mrs. Paul Weidman, Akron, members of Society of Farm Women Group #3 heard John Weidman discuss his experiences last summer in Germany. Weidman, grandson of the hostess, is a civil engineering student at Princeton University.

He spent last summer studying the German language and the people and their ways. He roomed with an average German family, and worked in a German factory at Lippstadt.

Following his twelve-week service there, he toured parts of Germany, Austria, and Switzerland, returning to the U.S. in September 1964.

During the business meeting reports were given of the recent meeting of the County Executive Board. Also of the Valentine Party held in the fire company hall at Lincoln \$50 was donated to the Cancer Society.

For The Farm Wife

(Continued from Page 14) cheese is browned and bubbly.

NOTE: Bacon may be omitted or 1/2 cup chopped baked ham may be substituted.

DILLY CAULIFLOWER AU GRATIN

- 1/2 pound sharp Cheddar cheese, shredded
- 1 medium head cauliflower
- 1/2 stick (1/4 cup) butter or margarine
- 1/4 cup flour
- 2 cups milk
- 1/2 teaspoon dill weed
- 1/2 teaspoon salt
- 1/8 teaspoon pepper
- 4 slices dry bread

Remove leaves from cauliflower. Cut off tough part of stem. Break into florets. Simmer 8 to 15 minutes in a small amount of salted water. Melt butter in saucepan over low heat. Blend in flour. Gradually add milk. To hot mixture, add cheese. Season. Cook, stirring constantly until thickened. In a 2 quart casserole add half of cauliflower; cover with half of cheese sauce. Repeat layers. Cut bread into small cubes and toast in moderate oven (350 degrees) for 10 to 15 minutes or until browned. Top casserole with toasted bread cubes. Bake in moderate oven (350 degrees) for 20 minutes.

In the Honey Brook area the H. H. McConnell herd had four cows completing lactation records: Liseter Ultra Joyce, a 9-year old, with 13,310 milk and 641 fat in 305 days; Grayce Farms Viceroy Bettor, a 7-year old, with 14,140 milk and 653 fat in 305 days; Meetinghouse Pretor Haryett, a 5-year old, had 11,060 milk and 499 fat, also in 305 days; Meetinghouse M S P Harriet, a Jr. 3-year old, made

LARGEST PORT Philadelphia, so often thought of primarily for its historical importance, has many modern-day claims to greatness. For one, its port

10,680 milk and 471 fat in 302 days.

The Cyrus Y. Bomberger herd in Lebanon had two cows making records: Ideals Rancheros Martha D, an 8-year old, totaled 14,260 milk and 623 fat in 305 days; Meadow Wood Imperials Lady, a 6-year old, made 13,330 milk and 676 fat in 297 days.

area, known as the Delaware eign-import trade center, it (River) Port, is the largest handles in excess of .23 per fresh-water port in the world. cent of the foreign commerce The nations' number one for- of the entire United States.
