in A.I. are in use for 4 years

or more and consequently the herd owner must be able to accurately identify his cows

to avoid inbreeding. In addition, many D.H.I.A. members are interested in the U.S.D.A. sire summary program which requires accurate identification. The system of processing Pennsylvania D.H.I.A. records on data processing equipment makes it imperative that all animals on test be identified with proper

Pennsylvania ear tags or registration numbers. Private ear tags and tattoo markings cannot be used on a nationwide basis because of a possible duplication in number, but they may be used to advantage within individual herds.

of the Ways and Means committee, announced a rummage sale for April 23 in the Odd Fellows Hall, North Broad street. An appeal was made for signers of a petition to oppose Project 70 in the Middle Creek area. The members were asked to bake cakes or cookies for the Heart Haven Bazaar to be held April 27. Mrs. Newcomer and Mrs. Amos Shenk are in charge.

Farm Women Oppose Middle Creek Project

Farm Women's Society No. 1 entertained the members of Society No. 2 at a covered dish luncheon at the Salem Lutheran Church on Saturday afternoon. Table decorations were in the Easter motif and Mrs. Hazel Ulrich was in charge of the Social committee.

Mrs. Clayton Sangrey, the president, was in charge of the meeting and the roll call was answered by each member introducing a guest. Mrs. John Newcomer was in charge of devotions. Twenty-three visitors and thirty-two members attended.

Mrs. Newcomer, chairman

Mrs. Arminta Good of New Holland showed pictures she took on a recent trip to Hawaii. She was introduced by Mrs. C. V. Smith. Marilyn Stauffer and Paul Brubaker, soloists, presented several numbers. The group will visit Society No. 25 at the Conestoga Methodist Church on May 8. Plans were announced for the Mother-Daughter banquet to be held on April 30 in the Brunneville Fire Hall, with Miss Emma Snyder as speaker.

HORNCO FEEDS - - - The Growing Choice Of Business Farmers

SIGNS of SUCCESS

All the time more and more successful poultrymen are displaying the sign **"FED ON HORNCO FEED"**.

Why are they changing to Hornco? Because they like it. They like the efficient results. They like the excellent service. They like the friendliness of a local company concerned with their personal problems.

Should you be using Hornco Feed?

Why not check with your neighbor and then call us direct.
