

Transfer Milk Efficiently From Cow to Bulk Cooler

The "Sputnik" MILK-PORTER is the cleanest, most efficient method for transferring milk from cow to bulk cooler.

- Manufactured from heavy gauge stainless steel.
- Lid seals tightly to keep milk germ free.
- Passes through openings 29" and over.
- Moves quiet and easily on rubber-tired, ball bearing wheels.
- Does away with long, expensive pipe lines, milk pumps and releaser.
- Two sizes.
- Low-cost sanitizing.

BIG 7-FOOT GEHL
boosts capacity 12%*

You'll make fewer field trips with the new Gehl Self-Unloading Forage Box. It has 7-ft. inside width. Increases crop hauling capacity 12%*.

This new width gives you an even wider selection of Box dimensions... one just right for your needs. Choose the new 7-ft. width or the standard 6-ft. 3-in. size. Length: 16 feet or longer or shorter. Available with 2-, 4-, or 6-ft. sides; plus a 2-ft. screened extension. Also available is a galvanized roof.

Whatever the size, Gehl Boxes are built for your tough jobs (with fine-grained, penta treated lumber and welded structural steel parts). Big ton-a-minute unloading capacity. Controls are up-front. So is the new safety bar — touch it to stop all unloading action.

Let us show you these and other features of the Gehl Self-Unloading Forage Box. Ask us for a demonstration. Soon!

FOR MORE CORN PROFIT

USE THIS TRIO OF HIGH PROFIT PRACTICES:

Start with a high capacity FUNK'S G-HYBRID

...plant it thicker...

apply extra fertilizer to feed the extra plants

THIS IS THE YEAR TO INCREASE YOUR PROFITS FROM CORN!

We have the plan and the work sheet which makes it easy to put the trio of high profit practices to work on your farm. And we have

the high capacity Funk's G-Hybrids it takes to do the job. The High Profit Trio is the most talked about corn production plan in years. Corn farmers everywhere are using to increase their yields.

START FROM WHERE YOU ARE!

Aim for a yield increase in 1965. Don't waste a year! Put this trio of high profit practices to work on all your corn acres in 1965. We'll be glad to help you work out the plan.
