(Continued from Page 14)

- 1 cup sugar
- 1 egg
- 1 teaspoon vanilla
- 8 cups sifted all-purpose flour
- 1 teaspoon salt
- 3/4 cup milk
- 2 cups crushed Cap'n Crunch cereal
- 10 7/8-ounce milk chocolate bars
- 24 large marshmallows

Beat butter and sugar together until creamy. Blend in egg and vanilla. Sift together flour and salt, add alternately with milk to creamed mix-

ture. Stir in crushed cereal. Roll dough out on lightly floured board or canvas to 1/4-inch thickness. Cut with floured 3-inch round cutter. Bake on lightly greased cookie sheets in hot oven (400 degrees) 7 to 8 minutes. Just before serving, place 4 squares of milk chocolate bar and a hot toasted marshmallow between two baked cookies; press together. Makes 2 dozen sandwich cookies.

Stauffer Celebrates 75th Year With Open House At Leola Plant

In celebration of their 75th year in business, H. M. Stauffer and Sons, Inc., of Leola will hold an Open House on May 22, from 11 a.m. to 5 p.m. at their Leola plant.

"See a diversified industry at work" is the theme of this event where the public will be viewing the vast lumber and storage facilities. Decorative trim machines will be in operation and visitors will see the manufacturing of huge roof trusses on the industry's newest equipment.

Also on display will be Stauffer's pre-engineered poul-

FARM WOMEN NO. 3 VISIT SO. AMERICA VIA SLIDES

At a recent meeting of the Society of Farm Women, Group No. 3, held at the home of Mrs. Irvin Burkholder in Ephrata, the group heard Mrs. Elizabeth Shaub describe the living conditions of the rural people in some South American countries. She illustrated her talk with slides.

During the business session, reports were given on various meetings, bus trips, hospital sewing, and entertainment events which took place in April and May.

It was decided that a donation of \$50 would be given to the Ephrata Community Hospital Auxiliary, plus receipts from the annual lawn fete of May 21-22, instead of the Group having a booth of farm produce.

The next meeting was scheduled for June 19 at the home of Mrs. Abram Bollinger, 884 Pointview Avenue, Ephrata.

try houses, fuel oil, heating services, and farm feed facilities.

A highlight of the Open House will be the demonstration of industrial pallet manufacturing with its unique automatic nailing system.

Some Guides To Choosing Children's Play Clothes

Well-made garments of quality fabrics are better looking, easier to care for, and wear longer than inferior quality garments. This may be important when clothing is handed down to younger children.

When a garment is well made, the fabric is cut on the grainline and the garment will hang straight when the child wears it.

Seams are soft and flat, sturdy play clothes, such as coveralls, will have flat-fell seams.

Places that get extra strain, such as knees and elbows, will be reinforced with extra fabric or stitching.

Hems in dresses should be at least three inches deep so they can be let down as needed.

Buttonholes are firm and strong. Buttons are firmly attached.

When your automatic washer won't work, a little checking on your own may save a repair bill. Some things to check include:

Is the washer securely plugged-
