

## 4-H Club News

### LANDISVILLE-SALUNGA HOLDS FINAL MEETING

by Sue Mumma, reporter

The Landisville-Salunga 4-H Sewing Club held its final meeting for the year this week. The annual club picnic was set for August 16 at the Salunga Pavilion at 7 p.m.

Demonstrations were given at the meeting by: Laura Yoder—Hemming a skirt with seam tape; Sandy Newcomer—Sewing shank buttons; Jean Herr—Sewing a four-hole button; and Ann Roth—Knitting slippers.

Following the demonstrations, the members adjourned to work on their projects. The club will reorganize early next spring.

### DRUMORE CLUB PLANS BARBECUE

by John Douts, reporter

The Drumore 4-H Club has planned a chicken barbecue for Saturday, July 31. It will be held at the Holtwood Athletic Field.

The Lions' Club will barbecue the chickens, and the club will buy and prepare the rest of the food. The barbecue will be served from 4 to 8 p.m. Tickets will be sold in advance and also may be obtained at the barbecue.

The menu will include: chicken, orange drink, bun, potato chips, pickles, carrot and celery sticks, apple sauce, and cake.

The profit from the event will be used for such 4-H Club purposes as entertainment and speakers for meetings, county council dues, sending representatives to 4-H Congress, and many others.

### PEQUEA VALLEY CLUB

by Carol Ann Eby, reporter

The Pequea Valley 4-H Club met at the Intercourse Fire Hall on Monday, July 19.

During the meeting the cooking girls made Peach Shortcake. They also judged the 4-H cake made by each member.

The other members worked on their sewing projects to be shown at roundup on August 18.

During the work session, light bulbs were distributed. The members will sell these as part of the County 4-H Project.

### JOLLY STITCHERS

by Jean Miller, reporter

The Jolly Stitchers 4-H Club of Farmersville met Monday, July 19, at the home of Mrs. Clydeth Buch.

Sharon Roden and Barbara Gockley gave a demonstration entitled "Color Capers" to the club.

Miss Richardson, an assistant from the county extension office, showed the club different types of zippers, and how to set one in a garment.

June White, Kaye Smith, and Jean Miller attended the 4-H county leadership class held at Manheim Junior High School on July 12.

Several members and leaders from the Jolly Stitchers Club attended Field Day recently at Long Park. Members of the club participated in the talent show given in the evening. They were: Barbara Gockley, who read a poem entitled "My Paradise"; Pat Smucker on her clarinet; Gail, Jane, Kaye, and Cindy Smith singing four songs.

### 4-H SEWING CLUB HAS DEMONSTRATIONS

by Barbara Hershey, reporter

Two demonstrations were given at the last meeting of the Lititz-Manheim 4-H sewing club.

The first demonstration was given by Shirley Weaver and Anna Ruth Long on how to put in a hem. The second one was given by Barbara Becker and Diane Palmer on good grooming.

The next meeting will be held on July 27, at Warwick High School, at 9 a.m.

### 4-H WILDLIFE CLUB TOURS ANIMAL TRAP

The Lancaster County 4-H Wildlife Club met Wednesday afternoon at the Animal Trap Co., Lititz, for a conducted tour, and then swam in the Lititz Community Pool. Refreshments and a meeting were held at Lititz Springs Park.

The group plans a trip to

Camp Malcroft, Potter County, Aug. 6-8. They received an invitation for a joint session with the Lincoln 4-H Club.

The goal for eradicating hog cholera from the United States is 1972. Success of the eradication program will mean no more hog cholera—and no need to vaccinate against this deadly killer.

## Mr. Dairyman:

Are you managing your herd for profit?

Managing for profit must begin with your dry cows and bred heifers.

Management for profit calls for feeding the dry cow and bred heifer to accomplish three things;

- Build the unborn calf,
- Build the cow's reserve,

Stimulate the cow's milk-producing system so that she may produce to her in-bred ability.

You can not expect last years top performer to repeat only because she has the potential.

She has to be fed for high production — and particularly when she is dry.

No other period in a cow's life has as great an influence on milk production as does the two month period just before she freshens.

Management for profit must also begin with feeding your dry cows PIONEER DRY & FRESH.

On PIONEER DRY & FRESH and the PIONEER Program your dry cows get the nutrients they need, and you can be sure that she will produce according to her capability.

Stop in soon or ask our servicemen about the PIONEER management for profit program, beginning with your dry cows.

There is profit in PIONEER.

## Add Up Dairy Dollars . . .

Our milk-making FLORIN DAIRY FEEDS make a big difference in the size of your milk checks.
