under the direction of Mrs.
Ross Smith.

The Meal-Time-Magic girls
made peach upside down cake
and sparkling punch under
the leadership of Mrs. Witmer
Dull.

The next regular meeting
will be July 7 at the Penn
Manor Junior School.

JOLLY STITCHERS ORGANIZE

by Jean Miller, reporter
The Jolly Stitchers 4-H Club
of Farmersville held its first
meeting of the season on June
14 at the home of Mrs. Clydeth
Buch.

The results of the voting for
this year's officers was as fol-
lows. president, Kaye Smith;
vice-president, Barbara Gock-
ley, secretary, Sharon Roden,
treasurer, June White; game
leaders, Cindy Smith and Lin-
da Dochter, song leaders, Cin-
dy Kilhefner and Pat Smucker,
news reporter, Jean Miller.

Gail Smith was chosen dele-
gate to represent the club at
County Council. The alternate
was Jane Smith.

The leaders this year are
Mrs Lowell Styer, Mrs Wil-
liam Kilhefner, Mrs Grant
Smith, Mrs. Clydeth Buch, and
Mrs. Israel Gockley.

Thirty-two girls attended the
meeting; twelve of these girls
are first-year members.

PINCUSHION CLUB

by Marie Grumbine, reporter
The second meeting of the
Leola Pincushions 4-H club was
held on June 16th from 9:00-
11:00 a.m. in the home of Mr.
and Mrs. Jacob Hooper.

The meeting was called to
order by Kathy Hooper, presi-
dent, who led the group in
the club pledge. The minutes
were read by Joyce Elko, sec-
retary, and approved as read.
Five-cent dues were collected
by Sandra Grumbine, treasur-
er, with a total of ninety-five
cents in the treasury. They
discussed how to raise more
money, and came up with two
ideas (1) Increase the dues
to ten cents each meeting in-
stead of five cents, or (2) hold
a bake sale.

Their County Council Repre-
sentative, Cindy McQuate, gave
a report on the County Coun-
cil meeting held Tuesday night,
June 15th Miss JoAnne Warn-
er, home economist, showed a
film on color combinations
The next meeting will be held
on June 30th, same time and
place The remainder of the
period was devoted to work on
the projects with the help of
the club leaders.

SMOKETOWN

Ph. Lanc. 397-3539

Up to 20% more output

with a NEW JOHN DEERE combine

The new John Deere 45 Self-Propelled can do up to 20
percent more work than its 1963 counterpart—up to
five days' work in four days' time.

Main reason for this terrific performance increase is
the new, exclusive cell-type separating grate. It reduces
the load on the walkers and allows you to speed up 1/2
to 3/4 gear without increasing grain loss... without pay-
ing a single penalty.

Bigger grain tank, faster unloading, higher unloading
auger, and redesigned operator's platform are just a few
of the other improvements in the 45 Combine. Stop in
soon and get the full story. Credit available.

DAIRYMEN- CATTLEMEN

Here's the answer to your
MANURE PROBLEMS

**EASY WAY
MANURE DISPOSAL
SYSTEM**

Saves Time—Saves Fertility

Just scrape or wash manure, bedding waste and
feed into Easy Way holding tank. When you're ready,
the powerful agitator and self-priming chopper impeller
pump will put the homogenized mixture into Easy Way
liquid field spreader. No clog—no mess—no stink.

For complete information on the
EASY WAY DISPOSAL SYSTEM write to:

CALEB M. WENGER

R. D. 1, Drumore Center KI8-2116, QUARRYVILLE, PA.

Mr. Dairyman:

Are you managing your herd
for profit?

Managing for pro-
fit must begin
with your dry
cows and bred
heifers.

Management for
profit calls for
feeding the dry
cow and bred
heifer to accom-
plish three things;

Build the unborn calf,

Build the cow's reserve,

Stimulate the cow's milk-producing system so that
she may produce to her in-bred ability.

You can not expect last years top proformer to repeat
only because she has the potential.

She has to be fed for high production — and particu-
larly when she is dry.

No other period in a cow's life has as great an in-
fluence on milk production as does the two month
period just before she freshens.

Management for profit must also begin with feeding
your dry cows PIONEER DRY & FRESH.

On PIONEER DRY & FRESH and the PIONEER Pro-
gram your dry cows get the nutrients they need, and
you can be sure that she will produce according to
her capability.

Stop in soon or ask our servicemen about the
PIONEER management for profit program, beginning
with your dry cows.

There is profit in PIONEER.
