

Pennsylvania Flying Farmers . . .

RUTH WILSON TO BE CROWNED PFF QUEEN

Mrs. Henry R. Wilson, Nottingham, Pa., will be crowned Pennsylvania Flying Farmer Queen on July 31st at Chester County Area Airport, Coatesville, Pa. She will succeed Mrs. Mark Anthony, Rochester Mills, Indiana Co., Pa. The Wilsons operate a 400-acre dairy farm. Both Ruth and her husband are pilots and will fly their Cherokee from their own private field on their farm.

The Aero Club of Chester County joins the Pennsylvania Flying Farmers in a day's program also with the cooperation of Chester County aviation who will have a static display of new aircraft.

The Aero Club will conduct a pilot's treasure hunt from the air, bomb drops, spot landing and other items

● Have You Heard?

(Continued from Page 9)
for a main-dish salad is cheese—a big scoop of cottage cheese, a few generous slices of American or Swiss, or another favorite of the family. You'll have your choice of salad greens to go with the protein food.

If your salad is an appetizer or dessert, fruit is an excellent choice. Combine fruits in season, such as cantaloupe, watermelon, peaches, plums, and berries, for an appealing salad full of color. It's a good idea to chill the fruits ahead of time and sprinkle with lemon or orange juice to prevent darkening.

AUTOMATIC DELIVERY

"You now have a full tank of Texaco Fuel Chief"

You'll never run low when you deal with us. Our degree-day deliveries assure you of an abundant supply of the finest heating oil money can buy—automatically. Texaco Fuel Chief—the heating oil that burns so cleanly, so completely, you get full value from every drop. Give us a call—then relax and enjoy a warm, comfortable home this winter.

of interest. Prizes will be offered.

The Queen's coronation will follow a covered dish picnic luncheon at the airport at 2:00 p.m. Fly-in time is 10 a.m. Interested persons, not members of either organization, are welcome. They should contact Thomas Keyes, president of the Aero Club, Malvern, Pa., or L. L. Logan, director of International Flying Farmers, Kennett Square, Pa.

4-H Club News

DRUMORE CLUB HOLDS PROJECT TOUR

by John Douts, reporter
The Drumore 4-H Club met at the Chestnut Level Church House the evening of July 13. A project tour for members followed.

On the tour the club visited the following members' projects: Roy Douts, tobacco; John Douts, sweet potatoes;

Mary Douts, gardening; Daniel, David, and Barbara Resser, pigs; Ronald Lehman, strawberries and rabbits; Alice Lehman, pigs; Jay Lehman, potatoes.

The tour ended at the home of Mr. and Mrs. Richard Leffer where the meeting was held. Before the meeting, members looked at Ann Leffer's capons.

After the meeting was called to order, members responded to roll call by telling about their projects.

The chicken barbecue to be held July 31 was discussed. Members returned money and unsold tickets. About 150 tickets were sold. It was planned that the Lion's Club would barbecue the chickens and the 4-H Club would prepare the rest of the food.

Twenty-three members, two leaders, and several parents were present at the meeting.

The next meeting will be held at Robert Groff's on August 10 at 7:30 p.m. A pig demonstration will be on the program.

New Roof & Siding "Slide Rule" Offered

Farmers figuring on how much roofing or siding they will need for a livestock barn, poultry house or other structure can now get an easy-to-use farm roofing and siding "slide rule" from Reynolds Metals Company.

Calibrated in roof slope lengths from six to 47 feet, the calculator provides instant data on number of

sheets and square footage material required.

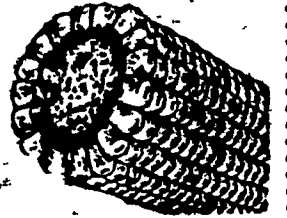

It also shows, because of reduced lap-loss, how much more area aluminum will cover than galvanized steel, the Reynolds Co. says.

The Farm Roofing and Siding Comparison Calculator is available from farm building materials dealers or from Reynolds Metals Company, Building Products and Supply Division, 325 West Peach Avenue, Park Ridge, Ill. 60068.

More farmers each month prefer to buy their
