For The Farm Wife

(Continued from Page 8)

6 grapefruit sections, cut in half and well drained
Lemon
Parsley

Cut fish into 8 serving portions. Place one slice of pimiento on each portion. Combine crab meat, cheese and cracker crumbs in a bowl. Melt butter or margarine; add next four ingredients. Cook, stirring, over low heat 2 to 3 minutes. Add to crumb mixture together with grapefruit sections. Mix lightly. Spoon on top of fish portions being careful to divide grapefruit evenly. Refrigerate, covered, until fish has thawed or until baking time. Transfer to a well-greased baking dish. Cover and bake in a moderate (350 degrees) oven for 25 minutes. Remove lid; bake 15 minutes longer or until fish is flaky when tested with a fork. Serves 8.

OUTDOOR STORAGE

Need storage space for lawn furniture and barbecue equipment? Build a three-foot-deep storage house at one end of the deck or patio. Use double doors, a shed style roof for rain run-off, and weather-proof western wood siding. Storage house will also serve as a privacy wall and wind baffle.

About half of the fires on the farm happen in the home, according to the National Safety Council.

Ladies, Have You Heard? . . .

Did You Know?

The taste difference between ice cream and sherbets and water ices is the tart flavor. Tartness in sherbet and ices comes from the fruits used and the addition of fruit acid. Almost all states require a certain minimum acidity.

Over 25 million women, or more than one-third of all women over 14 years of age, work for pay away from home, or on a family farm. These women make up one-third of all workers in this country.

There is a difference between chocolate milk and chocolate dairy drink. Chocolate milk is made from whole milk and chocolate dairy drink is made from skim or partially

skim milk. Otherwise, the two milk drinks are made with similar ingredients.

Before You Close the House for Vacation

It's important that you leave your house looking as near normal as possible when you plan to be away for a week or longer. This means you'll need to arrange to have someone mow the lawn and care for the mail.

Stop the delivery of milk, laundry, paper, and other services.

Give a duplicate key to a trusted friend who is willing to look over the place now and then during your absence.

But be sure you have your key in a place where it won't get lost during the trip — you might come back when your friend is not around.

Leave no opened food on a shelf for insects and discard any leftover foods.

Clean the refrigerator and leave the door slightly open to prevent musty odors.

Disconnect electric clocks, lamps, toaster, iron, radios, television set, and even the washer before you leave. If you have a freezer, don't pull the master switch as you make your final tour.

Other things to do include checking water faucets throughout the house, close and lock all windows, empty wastebaskets and garbage container, and discard dust-cloths with wax or oil in them.

When Storing Ice Cream,
