 MANURE SPREADER

You're probably paying for a SideKick now—in repairs, downtime, aggravation. With no aprons, beaters, gear box or ratchets, you can see why the SideKick is covered by Hawk Bilt's full year guarantee! Only two moving parts to lubricate—the rotor and power unit. For real ruggedness, there's Uni body construction of welded 1/4 inch copper-bearing steel, protected by rust-preventive primer and enamel finish. Copper-bearing steel lasts twice as long in manure acids as galvanized black steel. You can't go wrong with a SideKick.

Vicki Shank Repeats Farm Show Egg Win

HARRISBURG — First prize for white eggs in 4-H competition was won by Vicki Shank, Elizabethtown R1, Lancaster County, at the 50th State Farm Show.

But Vicki didn't stop there, she went on to win the second, third and fourth places in the 4-H white eggs class. She was also last year's Farm Show winner in 4-H egg competition.

In the 4-H brown eggs contest Delbert Hauck, Hegins, Schuylkill County, took both first and second prize. Delbert also had the top score, 97, of single dozen brown eggs in the whole show.

Eggs are scored on uniformity of weight, color, shape, shell texture, condition and interior quality.
