at room temperature about 30 minutes, then chill in refrigerator at least 3 hours before serving.

MILE HIGH ORANGE CRIFFON PIE

- 1 envelope unflavored gelatin
- 1/2 cup cold water
- 1/4 teaspoon salt
- 4 eggs, separated
- 1 can (6 ounces) frozen orange juice concentrate
- 1/2 cup sugar
- 1/2 cup heavy cream, whipped
- 1 9-inch baked pastry shell

Sprinkle gelatin on cold water in top of double boiler to soften. Add salt and egg yolks; mix well. Place over boiling water and cook, stirring constantly, until mixture thickens slightly and gelatin dissolves, about 3-5 minutes. Remove from heat; add undiluted orange juice concentrate. Chill, stirring occasionally, until mixture mounds slightly when dropped from a spoon.

Beat egg whites until stiff, but not dry. Gradually add sugar and beat until very stiff. Fold in gelatin mixture; fold in whipped cream. Turn into prepared pastry shell. Chill until firm. If desired, garnish with additional whipped cream.

RHUBARB ICE CREAM PIE

- 3 cups fresh rhubarb
- 1 cup sugar
- 1/2 teaspoon cinnamon
- 6 drops red food coloring
- 1 quart vanilla ice cream, softened
- 2 cups sliced and sweetened fresh strawberries
- 1 cup pineapple chunks
- 1/4 cup fruit syrup

Chill 9-inch pie plate in freezer. In a saucepan combine rhubarb, sugar, cinnamon and food coloring. Bring to boil; cook 10 minutes or until thoroughly cooked; chill. Add ice cream to rhubarb by large spoonfuls; fold carefully to retain ripple effect. Spread into pie plate, mounding high around side to form an edge; freeze. If ice cream becomes

too soft to mound, place in freezer until easier to shape. One to two hours before serving arrange strawberries and pineapple in ice cream "crust"; pour over fruit syrup; return to freezer.

CHEESY CORNED BEEF BARBECUE SANDWICHES

- Sliced cooked corned beef
- 6 slices bread, toasted
- 1/2 cup catsup
- 2 teaspoons horseradish
- 2 teaspoons prepared mustard
- 2 teaspoons vinegar
- 2 teaspoons finely chopped onion
- 6 slices Cheddar cheese

Place a slice of corned beef on each slice of toast. Combine catsup, horseradish, mustard, vinegar, and onion. Spread half of sauce over corned beef. Top each sandwich with a slice of cheese. Broil 6 inches from heat source until cheese melts and sandwiches are hot. Serve remaining sauce with sandwiches. Makes 6 servings.

Ladies, Have You Heard? . . .

Tips For Planning A Motor Trip With Family

Take a little time out to plan for comfort on your motor trip. If you and family members can manage to feel fresh and comfortable, even the hottest weather need not get you down.

A change of clothes on a hot day is one way to keep comfortable. While you don't want to load the car with surplus luggage, you want to be sure everyone has clothes enough for frequent changes.

Pack clothes that fold without too many creases, that you can wash out easily when you stop overnight, and that dry quickly without ironing. Do this and you won't be

bothered with a lot of clothes. A few dependable washables are a good choice.

For emergency hand-washing, keep a container of sudsy water handy.

Allow for a change of shoes and socks for the driver during the day—prolonged driv-

Worth Knowing

House plants breathe through tiny pores that lace their leaves. If these pores become clogged, the plants may wither and die. That's why it's important to remove dust and soil regularly from the leaves. The easiest and best method for cleaning the leaves is to wipe leaves gently with a damp soft cloth. You can set small plants in the sink and spray them with a fine mist. Keeping leaves clean and pores open helps the plants to keep their luster and to stay healthy.

Toilet soap is bar soap made as a cleansing agent for the body. Toilet soap comes in many shapes and generally in three sizes—bath, which is large; hand, which is medium;
