 per pound than a similar cut of a lower quality.  
**Valuable Papers Need Safe Storage**  
 There are some very important papers which should be stored in a safe deposit box. Stocks, bonds, certificates, and negotiable securities need safe-keeping. Property records, such as deeds, mortgages, and loans, and service records should also be included. Insurance policies, birth and marriage certificates, and automobile titles should be safely filed. It's also a good idea to include a signed copy of your will.  
 Make an inventory of the contents of the safe deposit box, plus the location of the box and who has access to it, to keep at home.  
 Keep this inventory up-to-date.

**KIRKWOOD 4-H COMMUNITY CLUB MEETS**

by Betty Jackson, reporter  
 The second meeting of the Kirkwood 4-H Community Club was held May 17 in the Bart-Colerain Elementary School. Eight new members were present.

County Council was discussed and representatives were elected. They are: Bill Jackson and Dennis Allen.

Assistant county agent, Harvey Gipe, discussed projects with the younger members, and later showed slides which he obtained in Holland as an International Foreign Exchange Youth.

Refreshments were served by the Farm Women Group No. 15 after the meeting was adjourned.

The next meeting will be held June 21, 8:00 p.m. in the Bart-Colerain School.

**BART 4-H SEWING CLUB ORGANIZES**

by Betty Jackson, reporter  
 The first meeting of the Bart 4-H Sewing Club was held May 13 at the home of Mrs. James Smeltz, leader. The following officers were elected: president - Gwen Walton; vice-president - Dorothy Walton; secretary - Pamela Smeltz; news reporter - Betty Jackson; game leader - Teresa Walton; song leader - Beatrice Groff; and County Council representative - Joan Welk.

The Bart 4-H Club queens are Emily Groff and Betty Jackson.

Project requirements and materials were discussed with the different age groups.

The second meeting of the Bart 4-H Sewing Club was held May 27 at the home of the leader, Mrs. James Smeltz. The meeting was conducted by the vice president Dorothy Walton. Mrs. Smeltz discussed Dress Review, and Junior Leadership with the older members while club assistants, Mrs. Donald Groff and Mrs. Kern Woerth, discussed projects and good grooming with the younger members. Junior leaders are: Pam Smeltz, Beatrice Groff, Dorothy Walton, and Ann Walton.

The next meeting is to be held June 16, 1:00 p.m. at the home of Mrs. Smeltz.

**REVIVE PLANTS**

If your plants that are still coming in from nurseries by express or freight are badly dried when they arrive, plunge them into pails of lukewarm water or "heel them in" moist earth for a few days. Set when ground conditions are good for planting.

**MYERS GlasStran**  
**Tractor-Mounted P. T. O. SPRAYER**

- Myers GlasStran P.T.O. sprayers are designed to handle a great many different spraying jobs.
- Available in 3, 6 and 12 gpm sizes, pressures to 500 lbs.

**FREY ECONOMY GATES GIVE YOU MORE**

**Why the Frey Economy Gate was Built**

Dear Gate User:

For many years there has been a need for a GOOD steel gate. There have been many different metal gates on the market but none have all the features desired by people who use gates regularly. I have been using gates of many kinds for many years and after being knocked down, stuck by splinters, cut by sharp edges and even had a bull come through a gate after me, I decided to build the BEST GATE THAT COULD BE BUILT, one that would hold stock, not sag, not break down, and not have any wide panels to catch wind, or any sharp edges, to cut anyone or their stock. The FREY ECONOMY GATE has been accepted by many people in the livestock and horse business. I am aware there is no such thing as a perfect gate and there will never be, but I believe that you will agree with our many customers who have used the FREY ECONOMY GATE, that the FREY ECONOMY GATE is the best gate on the market.

There are lighter weight and lower cost gates on the market, but when considering all facts and points, FREY ECONOMY GATES give you the most for your money.

Due to customer demand we now have a complete line of all-steel, all-welded livestock handling equipment. If you need something special send us plans and specifications and we will be glad to bid on it.

FRED FREY

- DESIGN—By a cattleman for the stockman and horseman.
- STRENGTH—Light weight tubular steel, all welded construction.
- SAFETY—There are no sharp edges to cut you or your stock.
- HANDLING EASE—Because they offer very little wind resistance anyone can open or close a FREY ECONOMY GATE in any wind with NO EFFORT.
- VALUE—When all facts are considered and compared to other gates you will find that FREY ECONOMY GATES give you more value than any other type of gate bar none.
- QUALITY—FREY ECONOMY GATES were designed to be the gates available anywhere and they will NEVER SAG.
- ALL NEW STEEL HEAD GATE—2 models to choose, one for side exit and one for straight-thru exit.
- ALL-STEEL ALL-WELDED FARM AND RANCH GATES—8 models to choose from.
- SALT AND MINERAL FEEDERS—with face fly applicator
- ALL METAL PICK-UP STOCK RACK
- STOCK TILT TABLES
- ELECTRIC GATES—imported from England
- FREE STALL
