

**Princess Contest**

(Continued from Page 1)  
hazel eyes, and brown hair. She is a June graduate of Manheim Township High School where she majored in the academic course. Her school activities include library assistant—5 years; orchestra—8 years; yearbook, and literary magazine staffs; national honor society; national English teachers' nominee; and such clubs as biology, German and future nurses.

Miss Risser has been active in such 4-H Clubs as Northern Holstein, Conestoga Valley Sewing, and Garden Spot Community. She has also served as club representative to the 4-H County Council where she was an executive board member-at-large, and on many committees.

Miss Risser was 4-H county girl's public speaking contest winner. She attended 1965 4-H Club Congress, 1965 4-H leadership training, 1965 vegetable judging team at State 4-H days, and also, participated in dress revue for three years.

In the area of contests, Miss Risser was a 4-H scholarship winner; National Merit Letter of Commendation winner; and winner of the Courthouse Essay Contest.

The Risser family has been in dairy farming for 19 years, and presently milks 50 Holstein cows.

Mary Ann Brubaker — is the 18-year-old daughter of Mr. and Mrs. John H. Brubaker of Mount Joy R2.

Miss Brubaker is 5'2" tall, has hazel eyes, and light reddish-brown hair.

She is a 1965 graduate of Donegal High School, where

she took the academic course, and is presently attending the Lancaster School of Practical Nursing.

While in high school, Mary Ann was active in Future Homemakers of America, serving as secretary and later as president. She was interested in dramatics, and participated in both the junior and senior class plays. While in high school, she was also a member of the chorus, band and orchestra, and worked as reporter for the local newspaper.

As a junior, she was named FFA Chapter Sweetheart, and as a senior was chosen Queen.

The Brubaker family has operated a dairy farm for 20 years, and is presently milking 30 Holsteins.

Joyce Arlene Shore — the daughter of Mr. and Mrs. Lewis W. Shore of Washington Boro R1, Joyce is seventeen years old. She is a June graduate of Penn Manor High School, where she took the general course.

She stands 5'6" tall, has hazel eyes, and brown hair.

At school, Miss Shore was a member of the art club. As a former 4-H Club member, she was chosen first runnerup in the junior division of the county posture queen contest, and served as vice president of her community 4-H club.

Miss Shore's hobbies include hunting, bowling, golf, sewing, hiking, and abstract art work.

Her family has been active in dairying for 15 years, and (Continued on Page 8)

**• Kettering**

(Continued from Page 1) operative, he has high hopes for his young, home-bred herd sire This animal, Henket Ivanhoe Jim, is not quite three

**HENKET IVANHOE JIM**, young herd sire at the Henry E. Kettering farm, bears a strong resemblance in size to his famous sire Osborndale Ivanhoe. Jim was classified 87 as a two-year-old; he will be reclassified in August. Kettering has two of Jim's daughters which he hopes will soon provide some evaluation information on this young sire. L. F. Photo

years old, but carries his father's stamp in his size and type. He was classified 87 as a two-year-old, and Kettering anxiously anticipates his three-year-old classification. As a senior yearling in 1964, Jim was grand champion bull at the District Dairy Show at Hershey. Jim's two oldest daughters placed first and third last year as senior calves at the 4-H county roundup.

head of registered Holsteins on the "airport" farm which they rent from the Neffsville Brethren Home. Kettering raises all of his heifers which are housed on the home farm, about six miles away. Both farms are a family proposition. There are four 4-H'ers in the family, ranging in age from 18 to 9, and all are active in dairy club work. Jim, the oldest of the Kettering youngsters, and a senior at Manheim Township High School, will attend

This fall there will be 23 heifers that will either go into the milk line, replacing a like number of cows, or be sold. Kettering said he would rather

Ketterings milk about 50

sell a cow after several lactations, keeping the heifers so that he can better evaluate the effectiveness of his breeding program.

Chores on the Kettering farms are a family proposition. There are four 4-H'ers in the family, ranging in age from 18 to 9, and all are active in dairy club work. Jim, the oldest of the Kettering youngsters, and a senior at Manheim Township High School, will attend (Continued on Page 7)

**IT'S HERE / AND IT'S A BEAUTY!**

**THE NEW TROJAN NO. 2020-10 POWER SPRAYER**

**FEATURING . . . THE NEW LIFETIME PORCELAINIZED TANK**

**LIFETIME FIBRE-GLASS PUMP**

Has No bearings, belts or gears to cause trouble  
Has ONLY ONE MOVING PART

**Dear Long and Bomberger:**

Why do most companies advertise while a few don't?

Signed:  
**Curious**

**Dear Curious:**

We don't know. Take Fry roofs, for example. For many years, Fry has made the best roofing materials in the business, yet they advertise very little — and then only to builders and people like us. A Fry roof is guaranteed for up to 25 years and the quality is easy to prove. It's competitively priced, too. You probably never heard of Fry roofing and we think somebody ought to tell you about it now. (We just did!)
