Mr. Poultryman: Protect Your Profits

There is no greater threat to the successful poultry operation than disease... and no better way to minimize it than with Wayne Environ disinfection. Yes, with one labor-saving application you can both clean and disinfect your poultry facilities and equipment.

Wayne Environ cleans better and destroys more disease-producing, profit-robbing bacteria over a longer period than any other product. Try this New working partner with Wayne Feeds.

(Continued from Page 8) steer to the top of the 4-H Hereford class, and then went all the way in the FFA-4-H combined competition.

The reserve title went to another 4-H showman, Gary Neff of Mount Joy R2. Neff's Old Home Manor-bred Angus stood second to Hosler's Here-

ford in the 4-H competition, but was the show's top Angus.

FFA champions were shown by Richard Gruber, Elizabethtown R3 (Angus), and Robert Donough, Mount Joy R2 (Hereford). Jay Hess, Manheim R3, had the only Charolais entry.

SHOWMANSHIP

Junior division — Judy Buckwalter, Lititz R3; Donald and Donna Gall, both of Manheim R1.

Senior division — Robert Long, Manheim R4, Robert Donough, and Hosler

FITTING
Master fitter, Jay Nissley, Mount Joy R2; runnerup, Hosler; and third, Marion Long, Manheim R4

Judging the 46 head show was Conrad Grove, manager of Soleil Farms, Inc., Pottstown.

Boost Yields NEXT YEAR!

Order Your PIONEER SEED Now

Order now and get first call on the Pioneer varieties that will do the best job for you next year. Pioneer offers you:

- (1) A New Generation of hybrid corn varieties—bred to fit your specific needs.
- (2) Hybrid sorghums for high grain and forage yields—extra bushels of grain and more tons of forage.
- (3) Alfalfas bred for the job... whether it's hay, pasture or plowdown.

Check what you'll need now—then order when your Pioneer salesman calls. An order placed now gives you first call on the seed you need next spring.

New

HIGH CAPACITY AUTOMATIC BUNK FEEDER

GIANT CAPACITY

A powerful 9 inch auger is offset within a giant, fully enclosed 12-inch steel hood. This unique design provides a reservoir for silage and feeds the full length of the feeder, greatly increasing the capacity and speed with which feed moves to the livestock. Handles the output of the largest silo unloader with ease.

FEEDS ENTIRE HERD AT ONE TIME

Feed is augered the full length of the enclosed hood and is then automatically dumped into the feeding bunk, providing equal rations to each head of livestock at the same time. No cattle crowding. No spilled and wasted feeds. When feed is dumped, the hood closes automatically and repeats as often as needed.

SILENT, CLOG-PROOF OPERATION

Powerful 9-inch auger never touches the metal hood; eliminating metal-to-metal friction and providing the right clearance to prevent binding and clogging even when materials have high moisture content. Horsepower requirements are greatly reduced too.
