

Manheim Fair

STEER SHOW DAIRY SHOW

Hosler Hereford Gets Hershey Holstein Grand Grand Champion Title Champion At Manheim

The Manheim Fair steer show Wednesday evening was won for the second consecutive year by a Hereford. Last year, the Hereford win at Manheim decided the season's Angus-Hereford deadlock (Angus steers had won at the Ephrata and New Holland Fairs, and Herefords at Lampeter and Solanco), but this year the top steer titles favored the Angus 3 to 2 Reserve titles this year are in the same proportion, and also favor Angus steers.

Showing the champ this year was Michael Hosler, 17-year-old son of Mr. and Mrs. Mark W. Hosler of Manheim R3. Mike, a senior at Manheim Central High School, showed his 950-pound, Colorado-bred

(Continued on Page 13)

A two-year-old cow, Hershvale Supreme Hettie, shown by Donald Hershey of Manheim R2, captured the grand champion breed title at the Manheim Fair Thursday night. Hettie, a homebred daughter of Sheffield Supreme Max, took the vote of show judge Don Seipt, Holstein breeder from Easton, Pa., for best udder in the show. She was also named senior champion.

Two-hundred and ten days into her present lactation, Hettie has produced 12,400 lbs. of milk and 410 lbs. of fat to date.

The junior champion Holstein title went to a junior yearling shown by Burnell Buchen of Manheim R3. Buchen's junior yearling also got the judge's nod for 4-H and

TOP HOLSTEIN at the Manheim Fair was this two-year-old cow, Hershvale Supreme Hettie, shown by Donald Hershey, Manheim R2. Hershey also had the reserve champion animal, a six-year-old cow. L. F. Photo

NON-STOP FORAGE TEAM

Handle hay or silage non-stop with a Gehl Self-Unloading Forage Box and Hi-Throw Blower . . . any crop, any size silo

New Gehl Box is 7-ft.-wide and the toughest, safest built. Safety bar, across the front, stops all unloading with the touch of a hand. Two rear-unloading options: low-cost bale unloader for lighter-weight materials, or silage unloader. Plus . . . a box size for every need, ruggedness for years of big-job crop hauling.

The new Hi-Throw Blower keeps pace with the Box. Blasts crop high as you need it at a ton-a-minute clip. New features: water hose intake;

recessed wheels for easier positioning of forage box; and "quick-touch" leveling adjustment for fast, easy set-up on uneven ground.

What's New in Feeding Cattle?

Ful-O-Pep Cattle-izer Beef Supplement

An entirely new concept in cattle nutrition opens up new profit possibilities for cattlemen everywhere. Based on a whole new principle in feeding, Ful-O-Pep Cattle-izer Beef Supplement changes the proportions of organic acids produced in the rumen. As a result, up to 20% more energy is available to the animal, as compared to the same amount of regular feed without the new concept.

This extra energy means faster gains, less feeding time to market, and considerable lower feeding costs. For thousands of cattlemen, it means extra profits.

Try the new concept soon.
