

Woman's Committee variety of approaches. It is pline", Mrs. Duncan said. (Continued from Page 12) a program that involves the membership in study, action and considerations of future concerns. The local chapter is presently studying the subject "Science, A Creative Discipline", Mrs. Duncan said. Twenty-four people attended the luncheon. Special music was provided by a trio consisting of Mrs. Robert Kauffman, Mrs. Ralph Garber, and Mrs. Lester Hawthorne.

MRS. CLYDE WIVELL, right, chairman of the Lancaster County Farmers' Association women's committee, discusses policies of the local, state, and national farmers' organizations with Mrs. David Holt, state women's committee chairman, center, and Mrs. Richard Duncan, president of the local chapter of the American Association of University Women.

For the Farm Wife and Family

Ladies, Have You Heard? . . .

By Doris Thomas, Extension Home Economist

Curtains For Less?

Check the dress goods counters for possibilities when you choose fabrics for curtains.

Dress fabrics are colorful and exciting in design and texture.

They are usually available in varied widths and fibers.

Cost per yard is less than what you usually find in drapery fabrics.

Read the label before you make your decision. It should list the fiber content along with directions for care. Be sure to note whether the fabric can be laundered or must be drycleaned.

Check, too, whether allowance must be made for shrinkage.

Correct Glassware Storage

per to provide a cushion for glassware. Arrange glasses and plates, saucers, and platters with rims up. Never stack crowded together or stacked glasses or cups one on top of the other. Use up-right racks to store the other. Don't store and use hooks to hang cups for daily use.

This saves storage space and encourages you to use all of should have a shelf all their your tableware . . . not just own. Arrange by height . . . what is on top of the pile.

THOMAS

Lane shelves with felt or paper to provide a cushion for glassware. Arrange glasses and plates, saucers, and platters with rims up. Never stack crowded together or stacked glasses or cups one on top of the other. Use up-right racks to store the other. Don't store and use hooks to hang cups for daily use.
