### Frey Cow, Herd Top Oct. DHIA

The October Red Rose Dáiry Herd Improvement Association report released this week showed J Mowery Frey, Jr., 401 Beaver Valley Pike, Lancaster, on top with high cow and tied for high herd honors for the month

A registered Holstein in the Frey herd completed the assoquatuon's highest 305-day lactation with a record of 21,285 pounds of malk and 982 pounds of buttenfat Second high cow (Continued on Page 9)

Temperatures for the next five days are expected to average much above the normal range of 41 to 25 degrees, says the weatherman. He predicts the mild temperatures will hold fairly steady throughout the period.

Precipitation in the form of showers at the beginning and the end of the period may total more than 14-inch.

IT WAS LANCASTER ALL THE WAY at the 4-H Southeastern District Babv Beef Show Wednesday as Sharon Weaver, New Holland R1, and William Houser, December 17 - Farm Women Lampeter, led the sweep by capturing the grand and reserve champion titles, L. F. Photo
