"Oats — ugh — I couldn't bear the sight of them — or hay either. Sometimes I could hardly catch my breath, and the least little trot made me cough 'til I thought I'd die.

"I had the heaves and I was miserable."

"Then my owner discovered New Hope Complete Horse Feed—no oats, nothing at any kind to stir up my allergies. My, how good it felt to really eat again, to be free from that terrible, hacking cough.

"If you're a victim of the heaves too, send your master as fast as he can go to get some Wayne New Hope Complete Horse Feed. Of course he has some other excellent horse feeds for horses that can still eat hay, but as for me, I'm sticking with Wayne New Hope Complete Horse Feed"
