

Weekly Poultry Report

Eastern Pennsylvania And New Jersey WEEKLY SUMMARY

LIVE HENS
Prices on light hens held unchanged in New Jersey, but declined 1/2c to occasionally 3/4c in Eastern Pa. Undertone unsettled due in part to lower ice-packed canner prices now being negotiated by further processors, and substantially increased offerings resulting from lower terminal egg market prices. Offerings ample for the fair and much less brisk buying interest this week. Offerings on heavy hens very limited with too few sales to report prices. Interest only fair as increased supplemental supplies from Delmarva, New England, and North Carolina are being shipped in. Prices paid at farm Light Hens 6-7c, mostly 6 1/2-7c, Heavy Hens, Too few sales to report prices
