4-H NEWS

DRUMORE SEWING CLUB PICKS COMMITTEES

by June Aaron, reporter Meeting at the Chestnut Level Church House on August 2nd, Drumore 4-H Sewing Club president Barbara Kreider appointed two committees.

Planning the Mother's Tea will be Shirley and June Aaron, Ann Murry, and Jo and Sue Boohar. The committee to prepare roundup plans includes Barbara Aaron, Cindy Kreider, and Elaine Weaver

This was the last scheduled meeting for the summer.

FOOD SAFETY

One of the best way to keep foods cool on a picnic is to pack them in a prechilled cooler, says Louise Hamilton, Penn State extension foods and nutrition specialist. Put ice in the cooler several hours before you pack for the picnic. The ice will keep longer and food will stay cold. Keep foods in the refrigerator until just before you're ready to pack and leave for the picnic.

FREEZING VEGETABLES

Fresh tender vegetables still crisp with morning dew are best for freezing. Do not depend on freezing to improve vegetable quality, reminds Mrs Ruth Buck, Penn State extension foods and nutrition specialist. For top-quality products, choose varieties that are recommended for freezing

PUBLIC SALE OF VALUABLE REAL ESTATE

111 ACRE FARM

on Sat., September 2, 1967 at 2 P.M. Sharp

R. D. #1, Brogueville, Pa. in Chanceford Twp. on the road between Leipharts Furniture store and Muddy Creek Road.

Farm of the late J. Roy Warner The undersigned will offer at public sale the following: Farm consisting of approx. 111 acres of which there are approx. 80 acres of farming land of which is very good rich ground and produces very good crops. The balance of approx. 31 acres consists of meadow and woodland. There is good road frontage on both sides of the road that offers some very choice building sites. Improvements consist of a large 10 room frame house with hot and cold water, cemented basement, spring house, large frame barn with running water, cemented stables, tobacco and potato shed and other out buildings, frame tenant house with 5 rooms, has hot & cold water.

This farm has a very good water supply that comes from the best of springs. Anyone on the market for a good farm be sure to inspect this one.

For inspection of farm, phone Brogue 927-6193.

Not responsible for accidents on day of sale.

Terms: 10% down, balance in 30 days.

HIGH CAPACITY AUTOMATIC BUNK FEEDER

GIANT CAPACITY

A powerful 9 inch auger is offset within a giant, fully enclosed 12-inch steel hood. This unique design provides a reservoir for silage and feeds the full length of the feeder, greatly increasing the capacity and speed with which feed moves to the livestock. Handles the output of the largest silo unloader with ease.

FEEDS ENTIRE HERD AT ONE TIME

Feed is augered the full length of the enclosed hood and is then automatically dumped into the feeding bunk, providing equal rations to each head of livestock at the same time. No cattle crowding. No spilled and wasted feeds. When feed is dumped, the hood closes automatically and repeats as often as needed.

SILENT, CLOG-PROOF OPERATION

Powerful 9-inch auger never touches the metal hood; eliminating metal-to-metal friction and providing the right clearance to prevent binding and clogging even when materials have high moisture content. Horsepower requirements are greatly reduced too.

LET US GIVE YOU COMPLETE DETAILS OF THE AMAZING VAN-DALE S-17 BUNK FEEDER
